The Long Drive : On The Road We Call Life Er Qazi Zia, 2025-05-30 The Long Drive is not just a drive down highways and byways it is an existential metaphor for life itself Born of the author's regular trips along the Srinagar Jammu National Highway this introspective book draws broad comparisons between the act of driving and the shape of our lives Just as we cruise lanes take turns contend with traffic and deal with detours on the highway so too must we contend with obstacles decisions and turns in life Each chapter is matched with a phase of life echoing the ebbs and flows of aging beginning with ignition birth the high of youth the stress of ambition the slowdowns of difficulty and finally the quiet of contemplation Along the way travelers encounter fellow travelers face roadblocks stop to get fuel and find that every segment of the trip has value The book provides philosophical depth and spiritual insight reminding us that the true road is often within It invites the reader to not only move but to move with intention to not only drive but to drive consciously Whether you're just starting out or along the way somewhere The Long Drive will encourage you to look back on where you've been where you're headed and what really drives your journey forward

The Poetics of Golf Andy Brumer, 2007-01-01 Many golfers would agree with Andy Brumer that there is poetry in the game of golf And Brumer is not the first to insist that there is more to the game than the superstars swing gurus and high tech equipment that dominate talk of the game today In this series of essays Brumer one of the most insightful writers on golf considers the game from unexpected and often surprising angles At once contemplative and compelling The Poetics of Golf explores the links between golf and life by way of art and literature

philosophy and psychology In portraits of various players including Tiger Woods Jack Nicklaus Annika Sorenstam and Arnold Palmer among others Brumer teases out the truths that their games can tell us not just about golf but about character and courage And he also offers an unconventional yet enlightening look at the intricacies of the golf swing course architecture and golfing equipment Finally his book reveals to us in its content and also in its wide ranging often lyrical style that golf is by no means only a game

The Long Drive Home Stan Rogal,2009-11-18 Gay middle aged hit men a pathological interior designer an idiot savant child and a gun toting donut shop manager are some of the disparate characters that populate Stan Rogal s first novel Beginning at vastly different points geographically and emotionally these seemingly unconnected people are woven together in the taut fabric of a story that follows the sweet sadness of the search for lost youth The characters paths move together gradually until they ultimately converge in an explosive showdown in a sleazy road side motel parking lot in Magog Quebec Peppered with beauty absurdity and Rogal s typical rapid fire dialogue The Long Drive Home makes for a wonderfully disturbing read

Slices I.J. Schechter, 2008-10-22 Millions of words are written in this field every year but few better than those that come from I J Schechter Jane Carter Editor Golf Monthly In golf there are the elite and then there are the rest of us We others lumped together in the Duffer Zone you know us from the formal announcements we send out whenever we break 100 are like the thousands who finish mid pack in a big city marathon happily unremarkable content just to enjoy the sunshine with some like minded others unconcerned about the guy who crossed the tape forty minutes earlier We are competent but not brilliant We are enthusiastic though a far cry

from intense Our fairway woods are mostly reliable but put a 3 iron in our hands and we might as well be swinging a screwdriver To the low and high handicapper alike golf represents an ongoing quest and an exhilarating challenge In this brilliant collection award winning author I J Schecter embarks on a dogged pursuit of golf s elusive Holy Grail breaking 100 with hilarious results Clinging to boundless and often groundless optimism Schecter attempts to untangle the secret to good golf in increasingly desperate ways like playing five different courses in five days accompanying a greenskeeping team on their pre dawn rounds trying to replicate one of Tiger Woods legendary shots and turning to a three year old for guidance Like any golfer he comes to realize that the journey though demanding proves its own reward A unique book from a gifted writer Slices is an eloquent witty celebration of both the game of golf and the unwavering efforts of those who try again and again to tame it
