silenced her and took her identity away Then disowned and abandoned by her family at age nineteen Graci embarks on a long arduous journey unaware of her dissociation Fueled with tenacity resilience and the ever burgeoning self she takes on the battle to discover herself all alone in the world As a result of her trauma Graci faces many struggles that she must overcome even when she goes through life not knowing who she really is Eventually the truth in its entirety unfolds for Graci except for one missing piece that proves key for helping to resolve her dissociation No matter how old a crime is it s never too late to tell the truth
