**To Understand the Bible Look for Jesus** Norman L. Geisler,2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible s central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24 44

Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ. Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional. Also included are a bibliography, subject index, and Scripture index. [Take a Closer Look for Teens](#) Jonathan Rogers, 2007-07-31 What does the Bible have to say to you today? Take a closer look. Once upon a time in the twenty-first century, to be exact, a daring group of teenagers like you became serious about seeking the Truth and living it. Some had been taught the Bible since they were young, and others had never before opened the Word of God. What they had in common was a desire to draw nearer to the Lord of heaven and earth. Take a Closer Look for Teens was created for young people who see faith as more than a fairy tale. They see it as a reality that can change their hearts and their world. So open your eyes. See all God has in store for you. *In Darkness, Look for Stars* Clara Benson, 2020-04-17 Utterly captivating. Goodreads Reviewer I was completely hooked. Goodreads Reviewer One of the best books I have read. Goodreads Reviewer Fantastic. My heart was in my mouth. Shaz's Book Blog Paris 1941. Going against her mother's orders, spirited Maggie devotes herself to the Resistance. Her life is a whirlwind of forged passports and secret midnight runs helping Jews escape Paris, which grows more dangerous by the day. Under the cloak of darkness, she bids farewell to Emil, who flees the city with the Nazis hot on his heels. Emil is bound for Maggie's sister Cecilia, hundreds of miles away in the South of France. Innocent and shy, Cecilia is shocked to the core when Emil turns up seeking refuge. Up until now, she has lived a sheltered existence, wild and dangerous. Emil turns her world upside down. Her life is on the line as she risks everything to protect him, and soon she is drawn into the secret work of the underground Resistance. As each day passes and the war rages on, Cecilia cannot help being drawn to Emil. But as the Nazis close in on them, she faces a terrible choice. Exactly how far is she willing to go for love? Her decision will haunt her for the rest of her life. An evocative, riveting, and stirring tale about the tragic realities of war, the fine line between loyalty and lies, and the power of love even in the darkest of times. Fans of *The Nightingale*, *The Letter*, and *All the Light We Cannot See* will be spellbound by this magnificent historical novel. Readers absolutely love *In Darkness, Look for Stars*. Amazing. One of my favourite stories. A brilliant story that is full of twists and turns. I felt like I was on the edge of my seat the whole time while reading. A must-read. Chells and Books Oh my word, this was definitely an emotive and additive read, and then some. I felt myself well up. I fully immersed myself in the story, and I knew that nothing much would be done for the rest of the day as I would be too busy reading. I was too hooked. Superbly written. I became so emotionally involved with certain characters that every time they felt pain, I felt pain. The author uses such vivid and realistic descriptions that I actually felt as though I was part of the story myself. Ginger Book Geek Amazing. I truly loved this book. Clara Benson does a masterful job of bringing her characters to life. Fans of *All the Light We Cannot See* will thoroughly enjoy this book. Historically Yours. Stirring, captivating, and electrifying. So poignant, it could sever readers' heartstrings. A wonderfully written historical novel. In

Darkness Look for Stars was the first Clara Benson novel I read but it shall certainly not be my last Bookish Jottings A beautifully devastating book Highly emotional and utterly captivating from the first page to the last Loopyloulaura Fantastic The author captures the relationships beautifully over the split time spans and intertwines them seamlessly A real page turner filled with suspenseful twists and turns Goodreads Reviewer This book was so good The characters were so well rounded you felt like you actually knew them The plot was so good you didn't want the book to end Goodreads Reviewer Beautifully written Goodreads Reviewer First of all what a lovely title and so apt during these dark times Heartbreaking as well as heartwarming An insightful look into what war can bring but what we can get out of life when everything is crumbling around us There's plenty of war stories out there but this one stands out The Book Trail I have read lots of books in the war fiction genre and found this book to be one of the best I have read Goodreads Reviewer

**Let's Look Forward** Simon Bennett, 2021-10-21 As a student at Bristol University I became aware of two things The first was my own brokenness and complete inability to fix myself The second was similarly the brokenness of the world and its inability to fix itself Both needed redemption and both needed a saviour Both were in denial if they thought they could muddle through without one I was fortunate enough to meet Christians who could explain to me both God's plan for my redemption through the cross and His plan for the redemption of the world through the Second Coming Both of these theologies amazed me Firstly that God should know my deep need and provide the exact remedy through His unconditional love on the cross Secondly that He should recognise the brokenness of the world and teach us the detail of how its redemption would occur This refreshing and revealing study takes you on a timely scriptural tour of the major landmarks that precede the Second Coming of Jesus Christ
