Look Up Today:

When I Look Up Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom **Look Up** Kenneth Thompson, 2023-06-26 These are short stories Ranging from a Hit Man becoming infatuated with the person he is meant to kill to a person getting into a philosophical debate with their executioner to answering the fundamental nature of consciousness these stories will entertain readers with its clever insights and biting commentary Interlaced throughout are connected stories of two families whose lives are weaved together more than they could ever know Some stories are much longer than others but what they lack in brevity they make up for in levity This rhymes which means it is true **Walk Strong, Look Up** Chantel Hobbs, 2011-09-01 One day Chantel Hobbs had had enough She vowed to lose weight and keep it off for good And that s exactly what she did Nearly 200 pounds lost and years later she shares with readers the power of the world s most natural exercise walking Almost anyone can do it it rarely causes injury it costs very little to get started and it can be done anywhere at any time Better yet it affords exercisers the opportunity to connect with their Creator Complete with workout routines tips on proper shoes and nutrition recipes for power shakes and even a free download of a thirty minute walking workout that includes music and Chantel s coaching Walk Strong Look Up is the whole package Chantel also reveals how walking and praying at the same time both intensifies the workout and adds a spiritual component to exercising that helps readers maintain their energy and enthusiasm Anyone who desires a stronger body and a deeper connection with God will love this book **Just Look Up** Courtney Walsh, 2017-07-04 After tirelessly climbing the ranks of her Chicago
