also will go a long way toward the happiest life for him and the most enjoyment for you A good start would be to consult with the owner of your pet shop or check into resources at your local library You can learn about the bird s personality style and traits what he is capable of learning and doing and any particular needs that he might have While you might be tempted to think that all birds are basically the same this is not necessarily the case Learning as much as you can about the specific breed you want to buy is not only informative but will also show you how very special your new pet really is You will surely appreciate his uniqueness
