It is also a life that has been defined by the art of observation and capturing on film. In *Self Portrait* the renowned photographer tells her story for the first time. As clear and unflinching in her prose as she is in her photography Friedlander describes growing up in a London orphanage being Jewish working in a Kensington photography studio marrying a New Zealander the challenges of moving to a new country and a life spent photographing the ordinary and the extraordinary from balloons and beaches to politicians and protests.
