Wherever people live in Australia magpies tend to be found there too These very familiar birds are one of our most loved and admired wild birds Yet during the breeding season many magpies become extremely aggressive toward people sometimes causing serious injury or distress especially to children The fact that this is a very common well loved yet sometimes dangerous neighbor makes solving the magpie human conflict very complicated This book provides for the first time a comprehensive guide to everything that is known about this bird why it attacks and what we can do about it In Full Color Rachel Dolezal,Storms Reback,2017-03-28 A lot of people have made up their minds about Rachel Dole al But none of them know her real story In June 2015 the media outed Rachel Dole al as a white woman who had knowingly been passing as Black

When asked if she were African American during an interview about the hate crimes directed at her and her family she hesitated before ending the interview and walking away Some interpreted her reluctance to respond and hasty departure as dishonesty while others assumed she lacked a reasonable explanation for the almost unprecedented way she identified herself What determines your race Is it your DNA The community in which you were raised The way others see you or the way you see yourself With In Full Color Rachel Dole al describes the path that led her from being a child of white evangelical parents to an NAACP chapter president and respected educator and activist who identifies as Black Along the way she recounts the deep emotional bond she formed with her four adopted Black siblings the sense of belonging she felt while living in Black communities in Jackson Mississippi and Washington DC and the experiences that have shaped her along the way Her story is nuanced and complex and in the process of telling it she forces us to consider race in an entirely new light not as a biological imperative but as a function of the experiences we have the culture we embrace and ultimately the identity we choose
