Seekers after rest; or, The children of Israel from the Exodus to Solomon Harriet Maria Barclay, 1876

Seekers in the Hands of an Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10:1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17:27-28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshipping a God who is everywhere and yet must be sought *Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God
