Looking Back On The End Of The World:

Approaching the Millennium Deborah R. Geis, Steven F. Kruger, 1997 Leading critics scholars and theater practitioners consider the most talked about play of the 1990s *Marketing Apocalypse* Jim Bell, Stephen Brown, David Carson, 2003-09-02 The present volume of essays examines the extent to which the end of marketing is nigh The authors explore the present state of marketing scholarship and put forward a variety of visions of marketing in the twenty first century Ranging from narratology to feminism these suggestions are always enlightening often provocative and occasionally outrageous *Maketing Apocalypse* is required reading for anyone interested in the future of marketing Tough Girls Sherrie A. Inness, 2018-01-09 Tough girls are everywhere these days Whether it is Ripley battling a swarm of monsters in the Aliens trilogy or Captain Janeway piloting the starship Voyager through space in the continuing Star Trek saga women strong in both body and mind have become increasingly popular in the films television series advertisements and comic books of recent decades In *Tough Girls* Sherrie A Inness explores the changing representations of women in all forms of popular media and what those representations suggest about shifting social mores She begins her examination of tough women in American popular culture with three popular television shows of the 1960s and 70s *The Avengers* *Charlie s Angels* and *The Bionic Woman* and continues through such contemporary pieces as a recent ad for Calvin Klein jeans and current television series such as *The X files* and *Xena Warrior Princess* Although all these portrayals show women who can take care of themselves in ways that have historically been seen as uniquely male they also variously undercut women s toughness She argues that even some of the strongest depictions of women have perpetuated women s subordinate status using toughness in complicated ways to break or bend gender stereotypes while simultaneously affirming them Also of interest *Madcaps Screwballs and Con Women The Female Trickster in American Culture* Lori Landay *Encouragement from the Psalms* Dr. B, 2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled *The Numbers Book the Wilderness Sojourn and the Promised Land* *The Pulpit Commentary* Vol 8 254 *The Companion Bible* Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *Public Papers of the Presidents of the United States* United States. President, 2000 Containing the public messages speeches and statements of the President 1956 1992 *Railroad Crossings to Restoration: Looking Back and Pressing Forward* Larene

Sanford,2017-11-30 Hope is like a light shining in the distance where once laid darkness In faith though doubting and crying out to a God of love hope springs up and grows increasingly with trust until the light bursts through the small opening in the trees Now when you see clearly life takes on new meaning In Railroad Crossings to Restoration Looking Back and Pressing Forward Larene speaks from the heart in truth and love remembering the journey she had traveled in the darkest moments of her life This journey would not be like the last It was not one where she knew the landmarks and where God would show her the paths to take to get there filling in the blank spaces between No This journey was different With no landmarks on the map and no knowledge of where she was going she would need to trust God as He took her uncertain hand and made this new journey a mystery an adventure a venture into a newfound land of faith *The Greatest Love Poems of All Time* Cook & Brothers,2015-01-09 This book is very humorous and it gets straight to the point It could leave you with tears falling from your eyes or make you very angry My mama was my heart and my soul She taught me everything I know I am the man I am because of her She was my backbone She was there for me through hard times and good times What can I say Words do not explain the things I feel about my mama She stood by my side when no one else would She was truly truly a mother
