Looking For The Faces Of God:

The Book of Mysteries Jonathan Cahn, 2016 A traveler goes on a year long journey with a man known only as The teacher and absorbs a new teaching on spiritual truths for every day of the year **Faces of God** Gordon DePree, Gladis DePree, 1980 *Revival Addresses* Reuben Archer Torrey, 1903 **Nicholas of Cusa on Christ and the Church** Chandler McC. Brooks, Gerald Christianson, Thomas M. Izbicki, American Cusanus Society, 1996 This collection casts light on various aspects of the life and thought of Nicholas of Cusa The first part is concerned with the context in which he made his contributions The second part is concerned with Nicholas work for ecclesiastical reform and his thought on the Church The third part deals with Cusanus ideas on Christ and mystical experience as well as the larger significance of his speculative works *Look Up* Alfredia R. Sherin-Devita, 2011-06 Look Up There s a Journey Ahead of You is the inspirational journey of a Christian s walk with Jesus This is a journey through heartache self denial pain and forgiveness to a stronger more effective Christian life *Keeping God at the Center* David R. Blumenthal, 2016-06-10 Keeping God at the Center is informative as well as instructional It contains four kinds of teaching first insights derived from pondering the meaning of selected phrases and prayers from the traditional liturgy second four chapters on the personalist theology behind traditional Jewish prayer third meditations on the liturgy and clear instructions on how to pray certain prayers and fourth instructions on how to pray certain prayers mystically Both those well acquainted with the prayerbook and those completely unfamiliar with it will be able to derive benefit from this book It is a continuation of the main themes of Blumenthal s earlier work in Jewish spirituality theology and mysticism **Look to the East** Maureen Lang, 2009 At the dawn of the First World War the French provincial village of Briecourt is isolated from the battles but when the German army sweeps in to occupy the town families must work together to protect stragglers caught behind enemy lines Fire of Mercy, Heart of the Word Erasmo Leiva-Merikakis, 2011-11-04 To the unstudied eye Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is Erasmo Leiva here acts as our guide showing Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent Leiva s work is scholarly but eminently approachable by the non technical reader The tone is very much gustate et videte quoniam suavis est Dominus taste and see how good the Lord is as it is friend come up higher The goal of the book is to help the reader experience the heat of the divine heart the light of the divine Word Leiva points to Matthew s gospel as being deeply ecclesial because it is first Christological He comments on the Greek text demonstrating to the reader nuances in the text that defy translation into English without serious revision of the text Leiva uses linguistic analysis to aid the non Greek reader with the literal meaning of the text numerous quotes from the Fathers and the liturgy of the church demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the

words and actions of Jesus **The Gate of Greatness** Dr. D. K. Olukoya, 2017-03-20 Just as we have physical gates there are spiritual gates that can admit good or evil into a person's life There are also prisons in the spirit realm where many are being held captive Very importantly there is a spiritual location known as the Devil's Door that attracts attacks and defeat In this book the reality of these locations is made very clear to us and we are given the key with Holy Ghost vomited prayers to overcome them *Diprose's Standard Song Book and Reciter. (Comic and sentimental.).* John Diprose, 1870 *The God Chasers Expanded Ed.* Tommy Tenney, 2011-07-28 This expanded edition of the original best seller includes a daily devotional for personal reflection and a study guide A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him A child chases a loving parent until suddenly the strong arms of the father enfold the chaser The pursuer becomes the captive the pursued the captor Paul put it this way I chase after that I may catch that which has apprehended me Phil 3:12 The passionate paths of God chasers can be traced across the pages history from Moses the stutterer David the singer and Paul the itinerant preacher to contemporaries like A W Tozer Leonard Ravenhill and countless others who share one common bond an insatiable hunger to know their Lord Prayers for Hope and Healing Sarah Forgrave, 2017-10-03 Amid Pain and Weakness There Is HOPE Serious or chronic medical issues bring a litany of painful and confusing feelings that only someone else who's been in a similar situation could possibly understand Sarah Forgrave has walked the difficult road you find yourself on And she empathizes with the uncertain future you face No matter the road ahead you don't have to face it alone Even in the depths of your worst emotional and physical pain God is right there beside you offering His comfort love and peace As you read these heartfelt prayers and devotions let this book be your manual to help navigate the difficult set of emotions that come with health issues Read it front to back or go directly to the devotion addressing how you feel at any given moment when you need it the most Above all know that you are never ever alone **'Hell': A Hard Look at a Hard Question** David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex

exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation

Religious Ambiguity and Religious Diversity Robert McKim, 2001-03-08

The religious ambiguity of the world has many aspects, one of which is the hiddenness of God. Theists have proposed a number of explanations of God's hiddenness. Some putative explanations contend that the advantages of God's hiddenness—goods of mystery—outweigh whatever benefits would result if God's existence and nature were clear to us—goods of clarity. Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God. The extent of the ambiguity that surrounds God's existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists, it is not important that people believe in God. Another central theme in the book is the significance of religious diversity for religious belief. The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance, which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way. Some contend that religious faith requires complete confidence in what is believed, but tentative belief actually is sufficient to sustain many forms of religious commitment.
