Lord Hawke A Cricketing Legend:

Lord Hawke James P. Coldham, 2003-05-07 The embodiment of Yorkshire cricket for over half a century Lord Hawke together with W G Grace and Lord Harris was one of the founding fathers of the modern game During a long and colourful career he captained Cambridge University Yorkshire despite being born in Lincolnshire and England his record for his country being unequalled Drawing on an extensive range of contemporary sources James P Coldham has created a compelling account of the controversial outspoken and highly successful aristocrat Lord Hawke Phil Coldham, 1990

Tom Emmett: The Spirit of Yorkshire Cricket Jeremy Lonsdale, 2018-08-01 Lord Hawke called Tom Emmett the greatest character who ever stepped on to the field Born in Halifax in 1841 Emmett worked as a mill hand and did not make his Yorkshire debut until 1866 Almost at once he was part of the most destructive fast bowling partnership in England with George Freeman In the 1860s he once took 16 wickets for Yorkshire in an afternoon In the 1870s only one other player scored over 4 000 runs and took over 400 wickets in English cricket W G Grace Emmett had his best ever season with the ball in the 1880s aged nearly 45 In all first class cricket he took over 1 500 wickets at under 14 bowling in an idiosyncratic style which included wides and balls which no man had ever seen or dreamed of before For three decades Emmett travelled endlessly to appear in club and county matches and went to Australia three times in five years appearing in the first Test match He set records and won games but also played in a style which at one time made him the most popular professional in England He pleased cricket followers with his wit and enthusiasm but his life had a large share of tragedy How he handled those highs and lows made him the true spirit of Yorkshire cricket *Cricket Country* Prashant Kidambi, 2019 The extraordinary story of the first All India national cricket tour of Great Britain and Ireland and how the idea of India as a nation took shape on the cricket pitch **Reverend ES Carter: A Yorkshire Cricketing Cleric** Anthony

Bradbury, 2018-11-01 The Rev Edmund Carter introduced the great Lord Hawke to Yorkshire cricket Although he played only a handful of first class matches for Yorkshire he played the game for Oxford University in the 1860s in Victoria as a young man and in West London before the bulk of his life s work as a clergyman in the shadow of York Minster *Cricket's Changing Ethos* Jon Gemmell, 2018-04-28 This book examines historically how cricket was codified out of its variant folk forms and then marketed with certain lessons sought to reinforce the values of a declining landed interest It goes on to show how such values were then adapted as part of the imperial experiment and were eventually rejected and replaced with an ethos that better reflected the interests of new dominant elites The work examines the impact of globalisation and marketization on cricket and analyses the shift from an English dominance on a sport that is ever increasingly being shaped by Asian forces The book s distinctiveness lies in trying to decode the spirit of the game outlining a set of actual characteristics rather than a vague sense of values An historical analysis shows how imperialism nationalism commercialism and globalisation have shaped and adapted these characteristics As such it will be of interest to students and scholars of

sport sociology post colonialism globalisation as well as those with an interest in the game of cricket and sport more generally *Cricket in the First World War* John Broom,2022-04-21 As Europe descended into war over the summer of 1914 cricket in England continued as it had for the preceding few decades Counties continued with their championship programme clubs in the North and Midlands maintained their league and cup rivalries whilst less competitive clubs elsewhere enjoyed friendly matches However voices were soon raised in criticism of this business as usual approach most notably that of cricket s Grand Old Man W G Grace Names became absent from first class and club scorecards as players left for military service and by the end of the year it was clear that 1915 s cricket season would be very different And so it would continue for four summers Rolls of honour lengthened as did the grim lists of cricket s dead and maimed Some club cricket did continue in wartime Britain often amidst bitter disputes as to its appropriateness Charity matches were organised to align the game with the national war effort As the British Empire rallied behind the mother country so cricket around the world became restricted and players from far and wide joined the sad ranks of sacrifice Cricket emerged into the post war world initially unsure of itself but the efforts that had been made to sustain the game s infrastructure during the conflict ensured that it would experience a second golden age between the wars **Eden Gardens Legend & Romance** Raju Mukherji,Brandnext,2015-02-21 Eden Gardens the heritage cricket venue celebrated 150 years of uninterrupted cricket in 2014 On an autumn morn in 1864 the pioneers of Calcutta Cricket Club first pitched wickets on this sacred plot of land Since then Eden has witnessed over the seasons prominent performers duelling in splendour with no quarters asked for certainly none given [Dimming of the Day: The Cricket Season of 1914](#) Simon Sweetman,2015-08-01 Much has been written about 1914 and the drift to war This book examines what it was like playing and watching cricket that year and how the eventual coming of war affected the game It challenges the common but lazy notion that the war brought a dramatic end to the era of sweetness light and eternal sunshine that was the golden age of amateur cricket **Players** Tim Harris,2009-11-10 It may be natural to play games but the sports we love aren t natural at all Each and every one of them has been invented tweaked pushed and pulled to come up with better rules cleverer tactics and more effective techniques There are no prizes for guessing who invented the Cruyff Turn or the Fosbury Flop but who invented the header or the sliding tackle The dive pass or the scrum The lob or the smash The sand wedge or the tee The googly or the flipper This book introduces 250 men women and animals each of whom has transformed at least one major sport Famous or infamous remembered or forgotten god like or god awful the game was never the same after them In making his selection Tim Harris author of *Sport* has drawn on years of passion argument and research to produce a list that is at once personal and authoritative provocative and challenging the rogues rulers and revolutionaries who shaped the games we play today **Jacques Kallis and 12 other great SA cricket all-rounders** Ali Bacher,2013-09-02 South Africa has produced more great cricket all rounders than any other country A century ago there was Jimmy Sinclair the first man from any country to score a century and take six wickets in an innings in

a Test match and Aubrey Faulkner still the only man with a Test batting average over 40 and a bowling average under 30 In the 1950s and 1960s there was Trevor Goddard opening batsman and the most economical bowler in Test history And then came the brilliant era of Eddie Barlow Tiger Lance Mike Procter and Clive Rice as well as Tony Greig and Basil D Oliveira South Africans who played for England A great tradition was established for the modern era Brian McMillan Shaun Pollock Lance Klusener and perhaps the greatest of them all after Sir Garfield Sobers Jacques Kallis These are the 13 men who were worth two players in one capable of winning a place as batsmen or bowlers adored by the fans and capable of changing a game with either skill Now their careers and exploits are examined for the first time in one book as are those of four players who but for apartheid might have been acknowledged as their equals Taliep Salie Gesant Tiny Abed Cecil Cec Abrahams and Sulaiman Dik Abed
