Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many *An Abecedarian of Sacred Trees* Mark G. Boyer,2016-12-09 Every person has seen a tree and maybe planted or climbed one In all world religions various trees are considered sacred Trees have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives This abecedarian a book whose contents are in alphabetical order explores the spiritual growth that is possible by reflecting on the wisdom of woody plants which help humans experience the divine In these pages you can explore trees from Acacia to Zaqum For each of the forty entries the author presents a text identifying the tree a reflective study a question for journaling or personal meditation and a concluding prayer Some trees you may have heard about and some may be new to you The spiritual life is enhanced by the trees that surround and share the earth with us while also disclosing the divine to us *The Messiah Comes to Middle-Earth* Philip Ryken,2017-11-14 Can The Lord of the Rings help us understand the Christian faith more deeply From the inaugural Hansen Lecture Wheaton College president Philip Ryken mines the riches of Tolkien s theological imagination In the characters of Gandalf Frodo and Aragorn Ryken hears echoes of the one who is the true prophet priest and king considering what that threefold office means for the calling of all Christians Time Out Film Guide John Pym,2004 This guide is a collection of engaging and provocative capsule reviews of films across the spectrum of cinema history from Russian silent movies to American comedies classic documentaries to Japanese anime and beyond **Bowker's Guide to Characters in Fiction** 2007 ,2008-02 **Baptist Sacramentalism 3** Anthony R. Cross,Philip E. Thompson,2020-09-28 The first two volumes of Baptist Sacramentalism helped give momentum to a renewal of sacramental theology among Baptists In the years since this

conversation has come to include a more diverse range of voices and explore a broader range of topics Baptist Sacramentalism 3 both reveals and shares in these trends contributing to the continued expansion of Baptist sacramental theology Essays from Scandinavian and Eastern European scholars reveal the ways in which sacramental thought is taking shape in non English speaking contexts Other essays demonstrate the ways in which sacramental thought informs questions ranging from disability to virtual reality And in keeping with the first volumes there is continued exploration of the sacramental witness of the Baptist past

*The Lord of the Rings* David Brawn, 2002 Companion volume to the film *The Two Towers* based on the works of J R R Tolkien

Cinefantastique, 2005

*Catholic Literature and Film* Nancy Enright, 2016-11-21 Catholic Literature and Film Incarnational Love and Suffering is meant to be considered as a work of literary criticism not film adaptation studies In it the author explores six literary works dealing with Catholic themes and the film versions of these works The discussion of the films is at the service of analyzing the texts Underlying all the discussions is an incarnational sacramental view of the texts which links to my interpretation of the film versions of them Catholic and actually any Christian interpretation of literature or film or any other art form is rooted in an iconic and sacramental understanding of imagery as a means of conveying the sacred Catholic spirituality lends itself to this sort of approach as it is deeply rooted in the ability to see sacred things through physical means A key sub theme is romantic love in connection with salvation which Charles Williams one of the Inklings the group of British writers including J R R Tolkien and C S Lewis who met and discussed literature and theology calls the theology of romantic love as well as the sub themes of redemptive suffering and grace My interest in the book is not an analysis of cinematography per se but on the films as vehicles for religious ideas What makes this approach unique is that it doesn't deal with only faith and film as Peter Frazer does very well in his book *Images of the Passion* The Sacramental Mode in Film for example it also goes beyond the realm of strict literary criticism in its tackling of how religiously oriented works of literature are affected by the transformation into film
