Dedicated to God Abbie Reese, 2014 In the second decade of the twenty first century Catholicism appears under siege Reporters fixate on drama accusations investigations the selection of a new pope They ignore the inner story the very reason why the church has survived from the Roman Empire's persecution through Renaissance splendor to the present day This is the story of a search for truth peace and salvation a story of selfless dedication that continues behind monastic walls even in our time In Dedicated to God Abbie Reese opens a window onto the Corpus Christi Monastery of the Poor Clare Colettine Order a community of cloistered monastic nuns living within a 25 000 square foot enclosure near Rockford Illinois It is a world apart from our noisy digital hyper connected world a world of poverty simplicity and prayer These women have surrendered everything their

names shoes even their families They disappear from the larger world when one dies the order marks her grave with a simple stone indicating religious name and death date nothing more While they live they pray five times a day at the Liturgy of the Hours for the victims of catastrophes and personal tragedies around the globe The author spent six years learning their individual stories and the ancient rules they have chosen to live by Reese makes that choice understandable showing how each nun s values led her there even if families were sometimes befuddled one great niece calls the monastery the Jesus cage With an eye for complexity Reese ranges from the challenges individuals face she calls one the claustrophobic nun to the uncomprehending society that threatens this place with extinction *From the Inside Out* Beverly D. Don't Mind Waiting BeeGee Hill,2022-05-11 Now really Do relationships really work Is there a formula that will help it last According to Val relationships that worked were a thing of the past Val was a young lady who had experienced a few hardships in her life After losing her father whom she cherished to cancer and was betrayed by the one she was settling for as the man of her dreams she became bitter toward relationships Of course they worked for some but it was truly unrealistic to think that there was someone out there for everyone Val s faith faltered and she strayed away from God and the church but after a couple years of backsliding she found her way back and was now determined to do things right according to the plan that God intended for her life After years of being a third wheel to one of her best friends Toni and her man could it be that her future rested behind the wheel of a squad car A man that looked THIS good was NOT going to be faithful or was he And HIS insecurities and double standards might serve as a warning or would they Val enjoys a lot of firsts with her

newfound love and the two enjoy each other's company as they get to know one another. But is that enough? Trust issues and conflicts could place the relationship on hold, but counsel from the other bestie and others help them to see the error of their ways and feisty Val recognizes that God will not leave her side if she only trusts Him. And yes, there IS a formula. It's written right there in His Word, the Bible, and when it's all said and done, Val doesn't mind waiting. Wait on the Lord, be of good courage, and He shall strengthen thine heart, wait, I say, on the Lord. Psalm 27:14. *Escape: Self-Help Motivational Manual* Orme', 2019-08-12. I decided to turn my writings into a book because of the reaction from the ladies in my unit when I shared one, then two, then three. I went deep into some of the most uncomfortable emotional experiences myself and other humans could have. Then I was led to tap into childhood problems and how experiencing devastation, pain, grief, fear, anger, love, trust, and no trust shapes who we become, our thought processes, and how we move through life. My life inspired me to obtain a master's degree in psychology (MA PSY) and to become a Certified Life Coach (CLC). My wish is for my work to inspire, motivate, and educate readers by using true-to-life examples of tragedy and triumph. I hope you enjoy this roller coaster ride.

Straight from the Heart Muriel Kennedy Ph.D., 2018-09-05. *Straight from the Heart: A Child's Journey to Love and Be Loved* is a beautifully written story about a child's heartrending journey to love and be loved by the significant adults in his life. *Straight from the Heart* is a compilation of true-to-life scenarios that speak very candidly to the myriad of challenges faced by today's youth in their quest to be loved and understood by others. Dr. Kennedy takes you on a riveting journey through the eyes and heart of the main character, Jamaal, with emphasis on his complex relationship with his mother, teachers, peers, and estranged father. Drawing on her extensive clinical experience and expertise in working with vulnerable children, youth, and families, Dr. Kennedy poignantly directs the reader's attention to the underlying source of the main characters' anger, fears, and frustrations, with emphasis on the importance of effective communications, perspective taking, problem solving, and decision making in managing and resolving conflicts across relationships. *Straight from the Heart* is a must read for today's children, youth, and adolescents, and more so for the adults that are deeply invested in bringing about positive change in the lives of our youth and their families through the applied principles of compassion, understanding, unconditional positive regard, and forgiveness. **Bridget Lyla McIntyre, 2009**
