Lord Carlingfords Journal Reflections Of A Cabinet Minister 1885:

Lord Carlingford's Journal Chichester Samuel Parkinson-Fertesoue Baron Carlingford, Chichester Samuel Parkinson-Fortescue Baron Carlingford, 1971 **Lord Carlingford's Journal** Lord Carlingford, 1971 *Lord Carlingford's Journal : Reflections of a Cabinet Minister, 1885* c. s. f. baron Carlingford, 1971 **The Journal of John Wodehouse First Earl of Kimberley, 1862-1902** John Wodehouse (Earl of Kimberley), 1997 Account of high politics in late Victorian period containing papers available only since 1991 *The Chamberlains, the Churchills and Ireland, 1874-1922* Ian Chambers, 2006 Winston Churchill and Austen Chamberlain both entered Parliament with inherited Unionist views However changing political circumstances in Britain and Ireland led them to change their stance and adopt policies that would have been anathema to their fathers *Dictionary of British Educationists* Richard Aldrich, Peter Gordon, 2016-04-01 This dictionary provides the reader with an easily accessible guide to the biographies of approximately 450 educationists It covers the period from 1800 to the present day and includes a wide range of people who were active in promoting education at different levels **Irish Home Rule, 1867-1921** Alan O'Day, 1998-09-15 IRISH HOME RULE considers the preeminent issue in British politics during the late 19th and early 20th centuries The book separates moral and material home rulers and appraises the home rule movement from a fresh angle distinguishing between physical force and constitutional nationalists *Gladstone: 1865-1898* Richard Shannon, 1999-05-01 William Ewart Gladstone was perhaps the greatest colossus of the Victorian Age Along with his formidable rival Benjamin Disraeli he dominated Britain's political scene from the moment of his appointment as chancellor of the exchequer in Aberdeen's famous **Joseph Chamberlain** Travis L. Crosby, 2011-03-30 Joseph Chamberlain was a dynamic orator notable reformer and superb parliamentary tactician of the late 19th and early 20th centuries In his early political career Chamberlain was a radically minded Liberal Party member and a supporter of political reform yet after the Liberal Split his allegiance changed dramatically when his Liberal Unionist Party entered into alliance with the Conservatives As Colonial Secretary in Salisbury's government he was a prime instigator of the Boer War and an important negotiator in the attempts to build an Anglo German alliance Ultimately disenchanted with the Conservative leadership of Salisbury and Balfour he played an integral role in the Unionist Split over the issue of Tariff Reform which ultimately led to Balfour's downfall Travis Crosby here sheds light on an often overlooked but exceptionally influential politician He argues that Chamberlain was driven primarily by a personal need for power and control characteristics that went beyond political loyalties Nevertheless his accomplishments as chief spokesman for electoral and social reform and his achievements as Colonial Secretary were genuine and lasting This book sheds new light on an influential character who played an important role in the development of British politics **Papers of British Cabinet Ministers, 1782-1900** Great Britain. Royal Commission on Historical Manuscripts, 1982 **Lord Salisbury** Dr E David Steele, 2020-10-07 This book presents a study of Lord Salisbury British prime minister in the late nineteenth century and

early twentieth century whose political philosophy was reactionary and defeatist and who is remembered for an irony that was wounding as well as diverting **The Foreign Office, Commerce and British Foreign Policy in the Twentieth Century** John Fisher, Effie G. H. Pedaliu, Richard Smith, 2017-02-16 This book addresses the interface of the British Foreign Office foreign policy and commerce in the twentieth century Two related questions are considered what did the Foreign Office do to support British commerce and how did commerce influence British foreign policy The editors of this work collect a range of case studies that explore the attitude of the Foreign Office towards commerce and trade promotion against the backdrop of a century of relative economic decline while also considering the role of British diplomats in creating markets and supporting UK firms This highly researched and detailed examination is designed for readers aiming to comprehend the role that commerce played in Britain's foreign relations in a century when trade and commerce have become an inseparable element in foreign and security policies **Queen Victoria and Her Prime Ministers** Anne Somerset, 2024-11-05 A riveting portrait of Queen Victoria and the ten prime ministers who headed British government during her sixty three year reign It is generally accepted that Queen Victoria reigned but did not rule This couldn't be more wrong A passionate and opinionated leader Victoria was born to govern with no room for doubt about her historic destiny or the might of the empire that was built in her name When it came to her involvement in state affairs Victoria herself acknowledged that she had held strong likes and dislikes for the various prime ministers who served throughout her political evolution from headstrong teenager to seasoned leader Anne Somerset's **Queen Victoria and Her Prime Ministers** charts the feuds and affectionate interactions Victoria had with her ten premiers in often hilarious detail from her adoration of Benjamin Disraeli her favorite prime minister who filled her life with poetry romance and chivalry to her detestation for William Gladstone a man she deemed a dangerous old fanatic Drawing extensively on unpublished sources such as material from the Royal Archives and never before seen prime ministerial papers Somerset casts a fresh and highly illuminating perspective not just on Victoria but on the exceptional politicians who served her in a time of massive global change **Mary, Countess of Derby, and the Politics of Victorian Britain** Jennifer Davey, 2019 Lady Mary Derby 1824-1900 occupied a pivotal position in Victorian politics yet her activities have largely been overlooked or ignored This volume places Mary back into the political position she occupied and offers the first dedicated account of her career Based on extensive archival research including hitherto neglected or lost sources this study reconstructs the political worlds Mary inhabited Her political landscape was dominated by the machinations and intrigues of high politics and diplomacy As Jennifer Davey uncovers Mary's political skill and acumen were highly valued by leading politicians of the day including Benjamin Disraeli and William Gladstone and she played a significant role in many of the key events of the mid Victorian era This included the passing of the Second Reform Act the formation of Disraeli's 1874 Government the Eastern Crisis of 1875-1878 and Gladstone's 1880-1885 Government By exploring how one woman was able to exercise influence at the heart of Victorian politics this book considers what Mary's

career tells us about the nature of political life in the mid nineteenth century It sheds new light on the connections between informal and formal political culture incorporating the politics of the home letter writing and social relations into a consideration of the politics of Parliament and Government It provides a rich investigation of how a woman with few legal or constitutional rights was able to become a significant figure in mid Victorian political life **Charles Stewart Parnell and His Times** N. C. Fleming, Alan O'Day, 2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell's writing Parnell's speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area

Gladstone: God and Politics Richard Shannon, 2008-10-15 W E Gladstone was four times Prime Minister and an MP for sixty three years This is a major biography of the most famous Victorian statesman **The Two Mr. Gladstones** Travis L. Crosby, 1997-01-01 This text explains that although Gladstone was among the most revered figures of his age there was another side to his character one of sudden bursts of anger and aggressiveness towards opponents It applies a psychological framework to Gladstone's life to explain this duality of his character **A Man and an Institution** John F. Naylor, 1984-07-26 drawing upon a uniquely wide range of official and private papers to examine the historical development of the Cabinet Office the custodian of Cabinet secrecy **Democracy and Religion** J. P. Parry, 1989-03-02 An account of how the various religious and educational issues tackled by politicians led to the fall of Gladstone's first liberal party government in 1874 and to an identity crisis for British Liberalism Irish Women in the First World War Era Jennifer Redmond, Elaine Farrell, 2020-05-21 This book is the first collection of essays to focus exclusively on Irish women's experiences in the First World War period 1914 18 across the island of Ireland contextualising the wartime realities of women's lives in a changing political landscape The essays consider experiences ranging from the everyday realities of poverty and deprivation to the contributions made to the war effort by women through philanthropy and by working directly with refugees Gendered norms and assumptions about women's behaviour are critically analysed from the rhetoric

surrounding separation women and their use of alcohol to the navigation of public spaces and the attempts to deter women from perceived immoral behaviour Political life is also examined by leading scholars in the field including accounts from women on both sides of the Irish question and the impact the war had on their activism and ambitions Finally new light is shed on the experiences of women working in munitions factories around Ireland and the complexity of this work in the Irish context is explored Throughout it is asserted that while there were many commonalities in women s experiences throughout the British and Irish Isles at this time the particular political context of Ireland added a different and in many respects an unexamined dimension This book was originally published as a special issue of Women s History Review
