Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *What'S so Great About God?* Darrell R. What is the true gospel? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ's crucifixion Does the Bible's Creation

account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book Israel and the Covenants in New Testament Times Each study s conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him Israel and the Covenants in New Testament Times may be ordered on line in the UK from Amazon co uk or at good bookshops and internationally from Amazon com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6 **God Didn't**

Do It; He Only Signed Off On It Christiana I. Chineme,2010-02 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don t understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God s declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for
