preconditions for political violence This study deconstructs intersectional processes of racially and sexually normative subject formation and its oppositional other ghostly erasure that are framed by a common temporal logic wherein full citizenship is contingent upon a nation's dominant notions of contemporaneity and whether individuals properly inhabit prescriptive timelines of reproductive productivity St George's study explores ways in which ghosts and families are manipulated in each national imaginary as a strategy for negotiating volatility within symbolic order a tactic that can either naturalize or challenge normative discourses As a literary and cinematic trope ghosts are particularly useful vehicles for the exploration of national imaginaries and the dominant or competing cultural attitudes towards a country's history and thus the articulation of a present political reality The rhetorical figure of the family is also key in this process as a mechanism for expressing national allegories for expressing generational anxieties about a nation's relationship to time and for organizing societies and social subjects as such interpellating them into or excluding them from national imaginaries By proposing these specific coordinates ghosts and families and by mapping their relationship between Spain and Latin America Troubling Timelines proposes a study of a temporal framework that besides bridging the traditional area studies divide across the Atlantic creates a space for interdisciplinary inquiry while also responding to increasing demand for studies that focus on intersectionality

Contin,2014-09-20 For too many centuries the Catholic Church has

been teaching lies to the innocent people who apparently are unable to think clearly for themselves Catholic clergymen pretend to be representatives of God with power to forgive the sins of other human beings and also to transform the host and the wine into the body and blood of Jesus Christ in order for the faithful to eat and drink it as cannibals They also pretend that their mass is a repetition of the sacrifice of Jesus on the cross when Jesus died and resurrected almost two thousand years ago They are also teaching several other lies wanting people to accept the great number of saints and virgins who really are just dead people God the Father forbids us to communicate with dead persons without exception The most important lies are refuted in this book not by the author but by the Bible and the Gospels because The Bible never lies

Durante muchos siglos la Iglesia Cat lica ha ense ado mentiras a personas inocentes incapaces de pensar por s mismas Los cl rigos cat licos pretenden ser representantes de Dios con poder para perdonar pecados a otros as como para transformar la hostia y el vino en el cuerpo y la sangre de Jesucristo para que los fieles los devoren como can bales Pretenden que su misa es una repetici n del sacrificio del Se or en la cruz cuando Jes s muri y resucit hace casi dos mil a os Tambi n ense an varias otras mentiras esperando que todos acepten la gran cantidad de santos y v rgenes que en realidad son personas muertas Dios Padre nos proh be comunicarnos con los muertos sin excepciones En este libro se refutan las mentiras m s importantes No lo hace el autor mismo sino la Biblia y los Evangelios porque La Biblia nunca miente
