La edición filológica del expediente completo está a cargo de Manuel Contreras Seitz. Los estudios de Raúl Marrero Fente, Pedro Guibovich, Francisco Burdiles, José Antonio Mazzotti y Sarissa Carneiro abordan diversas aristas jurídicas, políticas, teológico-morales y literarias del proceso contra Oca y sus impresores. Todo ello permite reconstruir una escena de notable importancia para el archivo colonial.

Volatile Social Movements and the Origins of Terrorism Christine Sixta Rinehart, 2012-12-15. Although many scholars have studied terrorism few scholars have ever studied terrorism from the aspect of its initial origins in social movements. Not only is research concerning this phenomenon outdated but there has also been no consensus as to what causes terrorism. Many contemporary terrorist organizations were once social movements that formed for a specific purpose using nonviolent tactics to accomplish their agenda. Eventually terrorist tactics became the method of choice for these once peaceful social movements. *Volatile Social Movements and the Origins of Terrorism: The Radicalization of Change* by Christine Sixta Rinehart focuses on why this transition occurred: why did a peaceful social movement transition to a terrorist organization? The case studies in this book include the Muslim Brotherhood, the ETA, the FARC and the LTTE. The study focuses on the individual characteristics, group dynamics and external forces that caused social movements to use terrorist tactics. It is ascertained who made the decision to use terrorism and why and how that person or group of people ascended to a leadership position within the social movement. After the person, people, time and place are found pertaining to the first decision to use terrorism, Sixta Rinehart examines why terrorism became an attractive option for each social movement. *Volatile Social Movements and the Origins of Terrorism* asks a necessary question for scholars and researchers in counterterrorism and international policy: Under what conditions do social movements resort to the use of terrorist tactics?
