Englar,Jill Englar,Teresa Graham Brett,2023-10-31 An empathic and emotional exploration of the inevitable subject of grief that veterinarians will regularly encounter throughout their relationships with clients on their journey through the care and management of animal patients The authors take an informed and supportive look at the philosophical and psychological impacts of grief emphasizing the individual experiences of clients while also addressing the impacts on the veterinarian and veterinary team Chapters cover the importance of the human animal bond unique circumstances relating to grief practical tool kit approaches that help the vet work alongside the client in a way that is supportive and practically helpful self management resources for a veterinary centric view of managing the process of euthanasia death and grief Supporting Pet Owners Through Grief provides practitioners and students alike with tools to better understand grief and its impact on the human animal bond Veterinary team members will also learn how to navigate their own mix of emotions as they themselves experience and process recurrent grief that can contribute to compassion fatigue and burnout 5m Books *The Emotional*

Dynamics of Law and Legal Discourse Heather Conway, John Stannard, 2016-12-15 In his seminal work *Emotional Intelligence* Daniel Goleman suggests that the common view of human intelligence is far too narrow and that emotions play a much greater role in thought decision making and individual success than is commonly acknowledged The importance of emotion to human experience cannot be denied yet the relationship between law and emotion is one that has largely been ignored until recent years However the last two decades have seen a rapidly expanding interest among scholars of all disciplines into the way in which law and the emotions interact including the law's response to emotion and the extent to which emotions pervade the practice of the law In *The Emotional Dynamics of Law and Legal Discourse* a group of leading scholars from both sides of the Atlantic explore these issues across key areas of private law public law criminal justice and dispute resolution illustrating how emotion infuses all areas of legal thought The collection argues for a more positive view of the role of emotion in the context of legal discourse and demonstrates ways in which the law could in the words of Goleman become more emotionally intelligent

No Time for Tears Judy Heath, Bernie Siegel, 2015-05-01 Facing the loss of a loved one in a death avoidant culture can be excruciating Grievers may be expected to put on a brave face to move on quickly and to seek medication if they are still grief stricken after an acceptable amount of time Psycho therapist Judy Heath draws on extensive experience as a grief specialist in private practice to help those struggling with the anguish of loss Addressing the myths and misinformation about mourning that still abound today Heath gently coaches readers to understand that coping with loss is a natural process that our society tends to avoid and hurry people through often leading to unresolved lasting grief *No Time for Tears* offers practical advice for both short and long term recovery including how to manage rarely discussed physical and emotional changes feelings of going crazy and inability to focus feeling out of sync with the world exhausted and chilled and crushingly lonely This updated second edition includes new information about medication and discusses various types of loss including that of a parent child spouse friend or pet Helpful not only to griever but also to those who care about counsel or employ them *No Time for Tears* is an essential resource for grief management and recovery

The Infinite Thread Alexandra Kennedy, 2011-03-15 The loss we feel when a loved one dies is profound often accompanied by regret for all that we didn't say or do Such regret can hinder emotional growth and create wounds that affect all other aspects of our lives But loss doesn't necessarily mean the end of a connection with a loved one In fact it can open the doors to a unique relationship that offers intimacy healing and renewal In *The Infinite Thread* author Alexandra Kennedy helps us deal with loss in a powerful new way by using active imagination letters and inner dialogue to re create and heal past relationships In doing so we also amend the often strained ties with those still living *The Infinite Thread* strips away the veils of mystery surrounding death and transcends preconceptions about death and dying Rich with opportunities for reflection it brings enormous comfort to anyone who has ever lost a loved one or been faced with their own mortality

The Infinite Thread (EasyRead Edition) , **Nobody's Child** Diane Lutovich, 2016-12-05 When Diane Sher Lutovich set out to attain closure of her mother's death she simultaneously discovered how other women address their losses *Nobody's Child How Older Women Say Good bye to Their Mothers* in poetry and prose tells the big and little stories of women who having come of age during the feminist revolution lived very different lives than their mothers The author addresses the guilt a daughter feels when confronted by her mother's life choices the loss of family history and a belated recognition of her mother's legacy The voices are heard within these pages giving occasion for the reader to learn about the multiplicity of feelings including remorse fear frustration compassion and deep admiration that many daughters experience at their mother's passing

Death and Dying John F. Szabo, 2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in scope or leaned heavily toward

one area of the field In *Death and Dying An Annotated Bibliography of the Thanatological Literature* John F Szabo provides more than 2 200 citations of monographs on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill

The Grief Club Melody Beattie,2009-08-07 *The Grief Club* is Melody Beattie s profoundly personal powerfully healing book to help readers through life s most difficult times Part memoir part self help book part journalism *The Grief Club* is a book of stories bound together by the human experience of loss in its many forms such as death divorce drug addiction and the tumultuous yet tender process of recovery It s a book you need to read and share Twenty years ago *Codependent No More* established Melody Beattie as a pioneering voice in self help literature and endeared her to readers who longed for healthier relationships Over the years Melody has invited readers into her life with several more best selling books each punctuated with her trademark candor and intuitive wisdom

From Child to Elder Alan Pope,2006 *From Child to Elder* explores the personal growth that can arise when a middle aged adult loses his or her last living parent Based on an empirical phenomenological study this book details the complex ways in which the adult orphan s ongoing relationship to the deceased parents combined with the unique meanings of the loss leads to a deepening of individual autonomy and spiritual awakening Confrontation with mortality and fundamental aloneness promotes among other things an increased sense of existential responsibility toward self and others as the adult orphan psychologically assumes its new role as an elder These and many other themes are structured into an integrated whole and amplified through developmental existential and Jungian perspectives The result is a compelling portrait of the processes by which the death of one s parents can accelerate psychospiritual development

Trauma and Dreams Deirdre Barrett,2001-10-30 Finally this volume concludes with a look at the potential traumas of normal life such as divorce bereavement and life threatening illness and the role of dreams in working through normal grief and loss

In the Presence of Grief Dorothy Stroh Becvar,2003-08-08 Illuminating the impact of loss and grief on our psychological and emotional lives this book provides vital guidance to ease painful transitions and facilitate healing The author emphasizes that dealing with the death of a loved one involves more than picking up the pieces and moving on rather healing is an ongoing journey on which grief is a constant companion For those in a supportive role the focus is on helping the bereaved to navigate the grieving process and ultimately to reclaim joy as well as sadness as an integral part of life Filled with personal narratives and examples the book

demonstrates effective ways to help survivors cope with commonly experienced issues problems and concerns Clinical psychologists family therapists psychiatrists social workers and counselors working with families physicians and nurses in palliative care settings hospice professionals While written for professionals the book s sensitive coverage of universal themes also makes it suitable for general readers

Tarot Shadow Work Christine Jette,2000 In *Tarot Shadow Work* Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories and then go beyond discovery to use the cards as tools for healing This is part of the work that needs to be done with tarot in this new century Rachel Pollack author of *78 Degrees of Wisdom* and the forthcoming *Shining Tribe Tarot* Deep within our psyches the unconscious holds our forbidden feelings secret wishes and creative urges Over time these dark forces take on a life of their own and form the shadow a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it The shadow takes its shape from a menagerie of archetypes each recognizable throughout time and around the world troubling characters who thrive within our persona The shadow is sabateur martyr victim addict sadist masochist or tyrant all the dark figures that prey on the lighter qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves *Tarot Shadow Work* shows you how to free yourself from the shackles of the shadow s power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves

Tarot for the Healing Heart Christine Jette,2001 Jette details how to create a healing atmosphere through tarot One does not need to be a tarot expert or a healing practitioner to benefit from this book All that is needed is a desire to heal an open mind and a courageous heart
