## **Losing Everything Stories:**

**Losing Everything** David Lozell Martin, 2008-12-30 In *Losing Everything* his first book of nonfiction acclaimed novelist David Lozell Martin tells his wildest most outlandish story yet his own One evening in the mountainous forest of his isolated West Virginia farmhouse Martin became disoriented when searching for a horse who had wandered off the property Wading through the dark and guiding his horse with a belt around its neck Martin felt as though every step was taking him deeper into the mountains Instead he unknowingly spent the night walking in a wide circle that brought him back to where he started This quickly became a metaphor for Martin's life The more lost I get the closer to home I come After growing up with a violent father who nearly killed Martin's clinically insane mother Martin pursued a writer's life with a vengeance becoming vulnerable to struggles with alcohol financial ruin and legal feuds Then after a betrayal by his soul mate Martin's sanity was in as much jeopardy as his mother's had ever been a state of mind that in his case led to gunfire divorce and at least one trip to the emergency room But *Losing Everything* is less about getting lost and more about finding your way home again In his pursuit of stability Martin uncovered lessons that might help others who have encountered loss take pleasure in something as small as an ampersand keep a list of people you know who have died meet your own death like a warrior and be glad you don't own a monkey Deeply personal yet surprisingly universal Martin's story is for anyone who has wandered astray If not a road map his journey is a guide providing hard earned wisdom to illuminate the path home *Losing Everything* Bill

author of the wildly controversial books *Liar* and *Paul's Case* comes one of the most anticipated and perhaps in some quarters feared books of the year This is author Lynn Crosbie at her most honest most cutting most hilarious and most heartbreaking The stories told here are at once a cache a repository of a seven year period in the author's life and too a gymnasium a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low and highbrow here are stories about 80s big hair bands and the lasting theological value of the Rocky series here too are stories contemplating critical theory and fine art *Life Is About Losing Everything* speaks with manic yet grave authority about risking and losing everything and then sorting through the remains to discover what is beautiful what is trash and what ultimately belongs **A Lot of Life - Is Winning It All Worth Losing Everything?** Kyle Mathis, 2014-10-22 Caleb was an

A couple of days ago a friend of mine got really excited when

she was describing the latest investment idea found out by her husband He had found out something called crypto currency and bit coins and her husband wanted to borrow some money from me to invest in this latest best thing after sliced bread When I laughed in her face and told her that a fool and his money are soon going to be parted but he is not going to party on my money we parted brass tacks There is no way in which people like her or her husband can be persuaded that this is one of the most well known of scams going on in the 21st century but of course they know everything In fact I wrote a book on crypto currency and why it was potentially a scam but human beings have this self destructive instinct when they are not going to listen to any sort of good advice ever Especially when they are in the millennial age group and they know that the world is their oyster and they can never go wrong in their own judgment Nevertheless this book is to tell you how if you find yourself compelled against your will but you intend doing it just because you need to look through all these tips and techniques as a reminder You are taking a risk You subconsciously intend to lose your shirt Under such circumstances nobody can do anything about you but it is much more sensible if you look at some points given here in this book before you try out any sort of investment Everybody knows that nothing ventured nothing win But you have to make sure that you never reach that state of investment when you begin to feel stressed out You have invested so much money that if you lose it all you are going to go completely broke When you reach this stage you need to put a stop to any sort of investment stocks shares foreign exchange and never ever invest in bit coin or crypto currency
