Losing Joes Place:

Losing Joe's Place Gordon Korman, 2013-07-30 Jason and his two friends are about to have the ultimate summer experience because they've just taken over Jason's cool older brother Joe's apartment for the summer. Now all they have to do is just say no. No parents. No rules. No problems. Right. Wrong. And Jason's brother hasn't even found out what happened to his apartment. Yet. *Forthcoming Books* Rose Arny, 1990 **Waterblack** Alex Pheby, 2025-01-14 The monumental conclusion to Alex Pheby's Cities of the Weft trilogy. One thousand million infants are dead and Nathan Treeves is back. He's become the Master of Waterblack, the City of the Dead. And Sharli, once a sacrifice, then an assassin, is now a trained God Killer. She has killed many but failed in killing Nathan Treeves years ago. Soon she and the Women's Vanguard will have another chance, even as The Master, The Mistress, and the Atheistic Crusade hurtle toward their final confrontation. The world of Mordew returns in the epic conclusion to the Cities of the Weft trilogy. Welcome to Waterblack. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Slough House* Mick Herron, 2021-02-09 In his best and most ambitious novel yet, Mick Herron's *le Carré* of the future BBC offers an unsparing look at the corrupt web of media, global finance, spycraft, and politics that power our modern world. This is a darker, scarier Herron. The gags are still there, but the satire's more biting. The privatization of a secret service op and the manipulation of news is relevant and horribly credible. Ann Cleeves, author of the Vera Stanhope series, at *Slough House*. MI5's London depository for demoted spies. Brexit has taken a toll. The slow horses have been pushed further into the cold. *Slough House* has been erased from official records, and its members are dying in unusual circumstances at an unusual clip. No wonder Jackson Lamb's crew is feeling paranoid. But are they actually targets? With a new populist movement taking hold of London's streets and the old order ensuring that everything's for sale to the highest bidder, the world's a dangerous place for those deemed surplus. Jackson Lamb and the slow horses are in a fight for their lives as they navigate dizzying layers of lies, power, and death.

Trips overseas derail her programme; she rewards herself with sweet treats; she sits at home in tears, battling with herself to get off the couch and go for a run.
