**Growing Beyond Apostasy & Other Meditations** R.A. Feller, 2006-01-20 Not knowing scriptures in a way that they establish a complete picture for a balanced relationship with Jesus Christ I feel is the main cause of apostasy. Apostasy cost me my marriage my sanity and almost having a true relationship with God who fills my heart with the joy of His love I cried out to God in my despair and He answered me now I pass this baton to spare one of hardship by equipping the saints as we are living at a time where there are many falsehoods we need a sure footing. In the sea of information it is possible to lose our way. Change is not scary when you're in a love with balance that holds a pace which will keep you accountable to the place of safety. This book will help you discern the differences in the variables of love and truth as they are brought together to disclose a very real Jesus Christ.

**A Course in Miracles** Helen Schucman, 2009-05-15 A Course in Miracles often called just the Course is a self study course for retraining the mind that is spiritual rather than religious in its perspective. Although it uses Christian terminology it is ecumenical in its approach and its underlying ontology is reminiscent of ancient refrains echoing the world's most hallowed traditions. The Course is pragmatic in its method and its aim is a peaceful mind. Knowledge is not the motivation for learning this course. Peace is. Nevertheless the Course frequently emphasizes its simplicity. The edition of A Course in Miracles that is reproduced in this volume is sometimes referred to as the Hugh Lynn Cayce version because upon completion it had been delivered to Hugh Lynn Cayce son of the renowned psychic Edgar Cayce in 1972 before the manuscript was subjected to the substantial editing process that is described below.

**A Course in Miracles** ,2008-06 This volume contains the original Course in Miracles text as well as the Course for Miracles for Teachers and The 360 Lessons. Embrosewyn Tazkuvel, 2010-05-01     *A Course in Miracles* Helen Schucman, Scribe, 2008-05 The only edition that contains in one place all of the writings that Dr Helen Schucman its Scribe authorized to be printed. **Practicing a Course in Miracles** Elizabeth A. Cronkhite, 2011-09-30 In the mid 1970s A Course in Miracles was published. It is a self study course designed to help you undo your conscious and unconscious beliefs that you are separate from God so that you can return to your natural State of Boundless Love, Peace and Joy. Since then it has become the Holy Book of millions of people worldwide who have experienced a loving transformation to a more peaceful experience. Practicing A Course in Miracles and The Way of A Course in Miracles are practical companions to The Message of A Course in Miracles the first volume of the Plain Language A Course in Miracles. Where MACIM lays out the theoretical foundation of the Course PACIM provides a year of practical lessons to transform your experience to peace and WACIM provides answers to common questions. These volumes also contain mentoring notes from the translator a student and teacher of the Course since 1984. Together these books offer a clear means for attaining lasting inner peace.
