## **Lospite Di Riguardo:**

, *The scientific dialogue linking America, Asia and Europe between the 12th and the 20th Century.* Fabio D'Angelo,2018-06-11 The first volume of Viaggiatori Curatele series seeks to recreate some scientific dialogues namely meetings exchanges and acquisition of theoretical and practical scientific knowledge thus linking the cultural historical and geographical context of America Asia Europe and Mediterranean Sea between the 16th and the 20th century More specifically the main objective is to consider the role of travellers as passeurs as intermediaries for building and allowing the circulation of knowhow and the practical and theoretical knowledge from one continent to another **e la fiaba continua...**

**Oberndorf 1818-2018** Giovanni Malevolti, *The Photoramone* Paola Bonifazio,2020-09-22 A fascinating feminist reading of an often scorned medium the storytelling cross platform success and female fandom of the photoramone Born in Italy and successfully exported to the rest of the world photoromances had a readership of millions in the postwar years By the early 1960s more than ten million Italians read a photoramone each week Despite its popularity the photoramone a form of graphic storytelling that uses photographs instead of drawings was widely scorned as a medium and its largely female audience derided as naive pathetic and uneducated In this provocative book Paola Bonifazio offers another perspective making a case for the relevance of the photoramone for both feminism and media culture She argues that the photoramone pioneered storytelling across platforms elevated characters and artists into brands and nurtured a devoted fan base Moreover Bonifazio shows that female readers condescended to by intellectuals journalists and politicians of both the left and the right powered the Italian photoramone industry's success

**Italian False Friends** Ronnie Ferguson,1994-12-15 Italian words that resemble words in English but have different meanings are the cause of student bafflement and some hilariously mistaken usage Examples of falsi amici that continue to amuse teachers of Italian include casino which is a brothel or mess not a gambling place and intossicazione which is food poisoning not intoxication Ronnie Ferguson has confronted the much neglected problem of false friends or deceptive cognates with a dictionary which makes it possible for the student of Italian to alert her or himself to the pitfalls Accurate translation essay work and comprehension hinge on the confident handling of key words prone to incorrect interpretation and Italian False Friends will be a useful tool to assist students to improve their proficiency in these areas This book is an excellent companion volume to Interferenze Lessicali Italiano inglese the practical teaching workbook with drills and exercises by Marina Sasu Frescura published earlier in the series Italian False Friends is effectively illustrated with samples from newspapers magazines street signs and books
