The Lost and Found, and Other Stories Anne Marsella, 1994-03 This collection of stories is as its title suggests a sort of lost and found peopled with odd and vivid characters who are often alone and displaced but whose world is one where the miraculous is hover lurking and possible

Cutter,2006-05-18 Starting with Salman Rushdie s assertion that even though something is always lost in translation something can always be gained Martha Cutter examines the trope of translation in twenty English language novels and autobiographies by contemporary ethnic American writers She argues that these works advocate a politics of language diversity a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States Cutter studies works by Asian American Native American African American and Mexican American authors She argues that translation between cultures languages and dialects creates a new language that in its diversity constitutes the true heritage of the United States Through the metaphor of translation Cutter demonstrates writers such as Maxine Hong Kingston Sherman Alexie Toni Morrison and Richard Rodriguez establish a place within American society for the many languages spoken by multiethnic and multicultural individuals Cutter concludes with an analysis of contemporary debates over language policy such as English only legislation the recognition of Ebonics and the growing acceptance of bilingualism The focus on translation by so many multiethnic writers she contends offers hope in our postmodern culture for a new condition in which creatively fused languages renovate the communications of the dominant society and create new kinds of identity for multicultural individuals The Lost World and Other Stories Arthur Conan Doyle,1995 The protagonist of these stories is the maddening irascible and fascinating Professor George Edward Challenger In these collected tales he faces adventures such as that high above the Amazon rain forest in The Lost World and the challenges of The Land of Mist *Stars In My Pocket and Other Stories* Julie Khristie,2022-12-01 This heartwarming book that speaks about hope and healing comes in a collection of short stories that deal with love and loss death and deliverance We journey through life carrying with us the stories that we do not readily share to others And so we live endure and patiently go through the humdrum routine of this world But it is in the mundane things that change often happens for deliverance always comes to hearts who hold on to hope Sometimes deliverance comes through mere acceptance Sometimes it comes through a person a place a circumstance or sometimes it comes solely through the welcoming of hope And often it comes garbed not in an extravagant declaration but in a simple and quiet realization Begin again dream again live again These are the stars we carry in our pockets **World Famous Treasures Lost and Found** Vikas Khatri,2012 Treasure searching has been through the ages an extremely exciting and adventurous pursuit it is highly demanding exercise calling for tremendous amount of courage and perseverance Instances are many where those in pursuit of lost or hidden treasures spent long years sometimes a span of as many as thirty years In this book you will read about some of the world s great treasures which are lost and found **The Necklace of**

Princess Fiorimonde and Other Stories Mary de Morgan, 2020-08-01 Reproduction of the original The Necklace of Princess Fiorimonde and Other Stories by Mary de Morgan **The Great Gold Swindle: Yamashita's Gold** Phoenix Powers, **The Woman Who Lost Her Soul and Other Stories** Jovita González Mireles, 2000-01-01 The writer Jovita González was a long member and ultimately served as president of Texas Folklore Society which strive to preserve the oral traditions and customs of her native state Many of the folklore based stories in this volume were published by González in periodicals such as Southwest Review from the 1920s through the 1940s but have been gathered here for the first time Sergio Reyna has brought together more than thirty narratives by González and arranged them into Animal Tales such as The Mescal Drinking Horse Tales of Humans The Bullet Swallower Tales of Popular Customs Shelling Corn by Moonlight Religious Tales The Guadalupana Vine Tales of Mexican Ancestors Ambrosio the Indian and Tales of Ghosts Demons and Buried Treasure The Woman Who Lost Her Soul Reyna also provides a helpful introduction that succinctly surveys the author's life and work analyzing her writings within their historical and cultural contexts *Benchley Lost and Found* Robert Benchley, 1970-01-01 39 pieces show Benchley at the height of his writing **Athenaeum and Literary Chronicle**, 1853 *"The" Athenaeum*, 1853 **The Athenæum**, 1853 **Reno (by the) in the Lake and Other Stories** Jim Hartman, 2010-03-31 I guess in truth Reno by the in the Lake is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate's treasure cave or a magician's maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I'm even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you're about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how its life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I've been told that it's good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writings have been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I've forgotten or don't really know what I'm talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good
