The Excludables: From mainstream classroom to prison education - understanding the children we exclude and why Kat Stern, 2022-02-28 When it comes to The Excludables it is time to shake up the debate Students who are excluded from school and society are at a higher risk of being incarcerated They are more likely to have mental health difficulties special educational needs live in poverty have social care involvement and they disproportionately come from certain ethnic groups This book pulls on all those threads using up to date research and establishes a deeper understanding of how and why these things affect school behaviours The factors that lead to exclusion are complex and this book meets that challenge head on including the kinds of crunchy bits that are usually avoided at all costs such as children who are high in callous unemotional traits and trauma informed approaches in prison education Written by an experienced educator and behaviour consultant this book steps away from the worn out discourse that surrounds behaviour in schools and away from

the notion that educators are the only relevant experts Get ready to explore genetics bias epistemic trust and the human stress response system all examined through the lens of the realities of behavioural challenge faced by educators every day This is a read that will confront everyone in some way **G.A.W.** James Joyce,2020-05-21 Children are the foundation of our society and when they lose their way we must help them find it again GAW is a story of a man s journey to help incarcerated youths find peace and repentance for the crimes they have committed In order to do this he exposed the children to the mercy of the Lord through his jail ministry work and showed them how they have the power to change the course of their own lives Throughout the novel various stories detail not only the obstacles the children face in their daily lives but also how finding the Lord has helped improved their circumstances

Controversial Issues In Prisons Scott, David,Codd, Helen,2010-05-01 Controversial Issues in Prisons is a textbook designed to explore eight of the most controversial aspects of imprisonment in England and Wales today It is primarily a book about the people who are sent to prison and what happens to them when inside Each chapter examines a different dimension of the prison population and draws upon the sociological imagination to make connections between the personal troubles and vulnerabilities of those incarcerated with wider structural divisions which plague the society we live in The book investigates controversies surrounding the incarceration of people with mental health problems women children foreign nationals offenders with suicidal ideation sex offenders drug takers and the collateral consequences of incarceration on prisoners families Each chapter on these eight substantive topics shares a common structure and answers the following key questions How have people conceptualised this penal controversy What does the official data tell us and what are its limitations What is its historical context What are the contemporary policies of the Prison Service Are they legitimate and if not what are the alternatives Ultimately the authors argue that in combination these controversial issues raise fundamental concerns about the legitimacy of the confinement project and the kind of society in which it is deemed essential The book concludes with a discussion of why it remains important to make penal controversies visible challenge penological illiteracy and provide alternative means of responding to human wrongdoing rooted in the principles of human rights and social justice

Hurting Kids Michelle Mary Lelwica,2024-08-01 Hurting Kids explores religion s impact on Americans beliefs about justice and on teenagers who get in trouble with the law Why do many of us assume that punishment is an appropriate moral response to crime How have diverging Christian narratives about divine punishment and God s mercy supported different responses to juvenile wrongdoing What do these competing notions of justice imply for youth offenders today nearly all of whom have been violated by the unjust and traumatic circumstances of their lives Weaving together research on the juvenile justice system theological analysis self examination of white privilege and the stories and perspectives of incarcerated youth Hurting Kids asks us to understand and care about the complicated humanity of a population of teenagers who are often deemed not only delinquent but dispensable Sharing snippets of her conversations with incarcerated youth Lelwica demonstrates that whatever harm these kids have

inflicted on others is rooted in the painful experiences they have survived experiences that are shaped by systemic injustices that benefit people with privilege Ultimately Hurting Kids challenges common assumptions about guilt and innocence while advocating for a kind of justice for youth that promotes equity compassion accountability and healing for all **Criminal Justice** Peter Joyce, Wendy Laverick, 2022-07-29 This book offers a comprehensive and engaging introduction to the criminal justice system of England and Wales Starting with an overview of the main theories of the causes of crime this book explores and discusses the operation of the main criminal justice agencies including the police probation and prison services and the legal and youth justice systems The fourth edition has been revised updated expanded and features a new expert co author This book offers a lively and critical discussion of some of the main themes in criminal justice from policy making and crime control to diversity and discrimination to the global dimensions of criminal justice including organised crime and the role performed by transnational policing organisations to combat it Key updates to this new edition include increased discussion of the measurement prevention and detection of crime a revised chapter on the police which discusses the principle of policing by consent police methods power and governance and the abuse of power further discussion of pressing contemporary issues in criminal justice such as privatisation multi agency working community based criminal justice policy and the impact of the Covid 19 pandemic on the delivery of criminal justice policy a revised chapter that deals in detail with new and emerging forms of criminality and the response of the UK and global criminal justice system to these developments This accessible text is essential reading for students taking introductory courses in criminology and criminal justice A wide range of useful features include review questions lists of further reading timelines of key events and a glossary of key terms
