Lost Cause The End Of The Civil War 1864 1865:

Lost Cause James R. Arnold,Roberta Wiener,2002-01-01 Discusses the last year of the Civil War including Lincoln s reelection and the final battles west of Richmond which ended the Confederate Army s hopes of victory and the surrender at Appomattox

The Horrors of Andersonville Catherine Gourley,2014-08-01 The Confederate prison known as Andersonville existed for only the last fourteen months of the Civil War but its well documented legacy of horror has lived on in the diaries of its prisoners and the transcripts of the trial of its commandant The diaries describe appalling conditions in which vermin infested men were crowded into an open stockade with a single befouled stream as their water source Food was scarce and medical supplies virtually nonexistent The bodies of those who did not survive the night had to be cleared away each morning Designed to house 10 000 Yankee prisoners Andersonville held 32 000 during August 1864 Nearly a third of the 45 000 prisoners who passed through the camp perished Exposure starvation and disease were the main causes but excessively harsh penal practices and even violence among themselves contributed to the unprecedented death rate At the end of the war outraged Northerners demanded retribution for such travesties and they received it in the form of the trial and subsequent hanging of Captain Henry Wirz the prison s commandant The trial was the subject of legal controversy for decades afterward as many people felt justice was ignored in order to appease the Northerners moral outrage over the horrors of Andersonville The story of Andersonville is a complex one involving politics intrigue mismanagement unfortunate timing and of course people both good and bad Relying heavily on first person reports and legal documents author Catherine Gourley gives us a fascinating look into one of the most painful incidents of U S history

[This Unhappy Country](#) James R. Arnold,Roberta Wiener,2001-11-01 Discusses the Battles of Vicksburg Gettysburg Chancellorsville and Chattanooga all of which had a major impact on the outcome of the Civil War

On to Richmond James R. Arnold,Roberta Wiener,2002-01-01 Examines the early battles of the Civil War including the First Battle of Bull Run and the Battle of Antietam and discusses the affects of the war on both Confederate and Union soldiers

River to Victory James R. Arnold,Roberta Wiener,2002-01-01 Describes the early battles fought in the West during the Civil War including the Battle of Shiloh and the Battle of Stones River

The Civil War James R. Arnold,2004-10-01 Discusses the causes major events and aftermath of the Civil War

Divided in Two James R. Arnold,Roberta Wiener,2002-01-01 Discusses the political economic and social reasons that led to the Civil War including the struggle over slavery and individual states rights

[Into the Land of Freedom](#) Meg Greene,2004-01-01 Discusses the changes faced by African Americans after the signing of the Emancipation Proclamation describing how families tried to reunite find homes and jobs

Lost Causes Bradley R. Clampitt,2022-06-01 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat *Lost Causes* analyzes the interlude between soldier and veteran suggesting that defeat and

demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights. Intense material shortages and images of the war's devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society. Their thoughts upon homecoming turned to immediate economic survival, a radically altered relationship with freedpeople and life under Yankee rule, all against the backdrop of fearful uncertainty. Bradley R. Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice, a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern. As *Lost Causes* reveals, most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America. Appomattox

Elizabeth R. Varon, 2013-09-06 Winner Library of Virginia Literary Award for Nonfiction Winner Eugene Feit Award in Civil War Studies New York Military Affairs Symposium Winner of the Dan and Marilyn Laney Prize of the Austin Civil War Round Table Finalist Jefferson Davis Award of the Museum of the Confederacy Best Books of 2014 Civil War Monitor 6 Civil War Books to Read Now Diane Rehm Show NPR Lee's surrender to Grant at Appomattox Court House evokes a highly gratifying image in the popular mind; it was many believe a moment that transcended politics, a moment of healing, a moment of patriotism untainted by ideology. But as Elizabeth Varon reveals in this vividly narrated history, this rosy image conceals a seething debate over precisely what the surrender meant and what kind of nation would emerge from war. The combatants in that debate included the iconic Lee and Grant, but they also included a cast of characters previously overlooked who brought their own understanding of the war's causes, consequences, and meaning. In *Appomattox*, Varon deftly captures the events swirling around that well-remembered but not well-understood moment when the Civil War ended. She expertly depicts the final battles in Virginia when Grant's troops surrounded Lee's half-starved army, the meeting of the generals at the McLean House, and the shocked reaction as news of the surrender spread like an electric charge throughout the nation. But as Varon shows, the ink had hardly dried before both sides launched a bitter debate over the meaning of the war and the nation's future. For Grant and for most in the North, the Union victory was one of right over wrong, a vindication of free society. For many African Americans, the surrender marked the dawn of freedom itself. Lee, in contrast, believed that the Union victory was one of might over right; the vast impersonal Northern war machine had worn down a valiant and unbowed South. Lee was committed to peace but committed too to the restoration of the South's political power within the Union and the perpetuation of white supremacy. These two competing visions of the war's end paved the way not only for Southern resistance to reconstruction but also our ongoing debates on the Civil War 150 years later. Did America's best days lie in the past or in the future? For Lee, it was the past, the era of the founding generation. For Grant, it was the future represented by Northern moral and material progress. They held in the end two opposite views of the direction of the country and of the meaning of the war that had changed that country forever.
