each focusing on specific cultural products or authors that feature the afterlife front and center Entry topics include novels film television shows plays works of nonfiction graphic novels and more all of which address some aspect of what may await us after our passing This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products such as films and novels In addition it covers these topics in nonspecialist language written with a student audience in mind The book provides historical context for contemporary depictions of the afterlife addressed in the entries which deal specifically with work produced in the 20th and 21st centuries     **Journeys of My Soul** Makachi

Chimusaru,2015-07-28 Humanity spends most of its time on earth standing in its own shadow and wonders why it is dark Makachi Chimusaru found this out through his fair share of experiences that he shares in this book The crossing over to the other side of his wife became an awakening call for him Unless one has been through his life experiences that include grief one cannot begin to know what it feels like to overcome challenges and grow from them There is no spiritual growth in comfort and maintaining the status quo It takes darkness to appreciate light and it takes hate to appreciate love This is why we as souls leave the comforts of the spirit world to come out here on earth to experience negative energy that makes us appreciate positive energy Mastering unconditional love is our ultimate goal that will reunite us with our maker in the higher realms of enlightenment Until we master that love we shall continue to incarnate here on earth and other realms in order to learn our lessons for a short while at a time We are all divine souls that need to appreciate that If you are holding this book right now then this may mean you were meant to read its message in this time There are no coincidences or accidents The universe is so much organized to allow that
