Lost Women Of The Bible Finding Strength And Significance Through Their Stories:

Lost Women of the Bible Carolyn Custis James, 2009-08-01 You know the women of the Bible but you don't know them like this. It's easy for Christian women young and old to get lost between the opportunities and demands of the present and the biblical teachings of the past. They live in a confusing world caught in the crossfire between church and culture. Although home and family still remain central, more women than ever by choice or by necessity are blending home, career, and ministry. They need strong biblical role models to help them meet these challenges. Building on solid scholarship and a determination to wrestle honestly with perplexing questions, author Carolyn Custis James sheds new light on ancient stories that bring the women of the Bible into the twenty-first century. This fresh look at the women in the Bible unearths surprising new insights and a powerful message that will leave readers feeling challenged, encouraged, and deeply valued. Rediscover and be inspired by Eve, Sarah, Hagar, Tamar, Hannah, Esther, Mary, and others.

The Gospel of Ruth Carolyn Custis James, 2011-01-26 Traditionally, the Book of Ruth is viewed as a beautiful love story between Ruth and Boaz. But if you dig deeper, you'll find startling revelations that God makes much of broken lives; he calls men and women to serve him together, and he's counting on his daughters to build his kingdom. Now in softcover.

Matriarchs of the Messiah: 2nd Edition Jo Ann Skousen, 2023-02-14 The God of Abraham, Isaac, and Jacob is also the God of Sarah, Rebecca, and Leah. In this fascinating book, renowned scholar Jo Ann Skousen shines light on Christ's maternal ancestors, including the reformed harlot Rahab, the kind and loyal Moabite Ruth, and the beautiful Bathsheba. Filled with insights that still apply today, this is a must-read for followers of the Holy Bible.

Identity Crisis Sarah Yoon, 2015-03-17 This book provides a general overview of the identity crises of BMB believers from Muslim background. Women in Jordan go through and reasons for it. Traditionally, persecution from family, community, or the secret police is thought to leave these women with newfound faith. However, even before persecution exposes their new faith, many initial believers give up, seeking the new truth and return to their previous phase due to a serious identity crisis. This phenomenon is found to occur particularly often among female BMBs because of their unique circumstances in the religious and sociocultural contexts of Jordan. Through an examination of BMB women's narratives, this book explores how Muslim women form their identities and what they experience in the process of conversion.

The First Gentleman Dr. Jacqueline Tuggle Taylor, 2012-05-10 Female leadership has been a topic of debate for centuries between theologians and laity. Christians and non-Christians as well as men and women. This study will present a theological analysis of the debate concerning male and female roles in leadership positions and ministry. An analysis of the role of the female pastors' spouse, the effects of sexism in religion, and how it has influenced the ecclesiology of the church will be examined as well. Reflections of case studies employing biblical narratives of couples in the Bible will be used to substantiate the roles of women leaders and their spouses. Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader. Read with anticipation the outcome of biblical interpretation of the roles of the female leader.

Dignas Elyse Fitzpatrick, Eric Schumacher, 2023-02-01. ¿Qué dice la Biblia acerca del valor de las mujeres? Enseña a la Biblia que las mujeres son tan valiosas como los hombres o las retrata como de alguna manera más defectuosas, más débiles y fácilmente engañadas. Comenzando desde Génesis y a través de la historia de la Biblia, Dignas demuestra las formas significativas y a veces incluso sorprendentes en que Dios ha usado a las mujeres para lograr Sus metas del reino. Porque como los hombres son creadas a Su imagen y sus vidas reflejan y declaran Su valor, Dignas permite y alienta tanto a hombres como a mujeres a abrazar esta visión verdadera y elevada de la creación de Dios. Su plan y su valor ante Sus ojos. La autora de éxitos de venta Elyse Fitzpatrick y el pastor Eric Schumacher invitan juntos a las mujeres a adoptar una visión transformadora y empoderadora de su Creador de sí mismas y de la iglesia. Pero este no es solo un libro para mujeres. También es un libro para hombres, especialmente líderes que quieren crecer en su comprensión de la perspectiva de Dios sobre las mujeres, personas que normalmente constituyen la mayoría de sus congregaciones. Hombres que podrán estar preguntándose si se han perdido algo en medio de los escándalos de abuso que están sacudiendo a la iglesia. Podrán los titulares que están leyendo hoy sobre el abuso tener sus raíces en una denigración del valor de las mujeres. Celebrar la importancia de las mujeres, ayudar a cada lector a ver el valor, el lugar y el llamado de las mujeres a través de preguntas de estudio y una sección para profundizar que ayudará a hombres y mujeres a descubrir cómo apreciarse, valorarse y honrarse unos a otros para la gloria de Dios.

What does the Bible say about the value of women? Does the Bible teach that women are as valuable as men or does it portray them as somehow more flawed, more suspect, or weak and easily deceived? Beginning from Genesis and working all the way through the storyline of the Bible, Worthy demonstrates the significant and yes even surprising ways that God has used women to accomplish His kingdom goals. Because like men, they are created in His image, their lives reflect and declare His worth. Worthy will enable and encourage both men and women to embrace this true and lofty vision of God's creation plan and their value in His eyes.

Bestselling author Elyse Fitzpatrick and pastor Eric Schumacher together invite women to embrace a transformative and empowering view of their Maker, themselves and the church. But this isn't only a book for women. It is also a book for men, especially leaders who want to grow in their understanding of God's perspective on women, people who normally make up the majority of their congregations. Men who might be wondering if they've missed something amid the abuse scandals that are rocking the church. Might the headlines they're reading today about abuse have their roots in a denigration of the value and worth of women? Worthy Celebrating the Value of Women will help every reader see the value
