Stone,2018-10-31 How do persons come to faith in our time Are they active seekers or brought in by others Is it a journey Or is it a more sudden conversion Are spouses relatives and friends most important to the process Do clergy matter What sorts of values practices and lifestyles tend to change for those who newly come to faith What are the differences among the various religious traditions in how one comes to faith This book presents the findings of a multi year study on how people come to faith in the US context It involves about 1 800 persons who recently made a new profession of faith or some other public commitment across various religious traditions in the US An initial study was conducted twenty five years ago on Christian populations in England by Bishop John Finney but surprisingly little research has been done since then Finding Faith Today is an expansion and follow up of that study The book sheds new light on how people come to faith and what sort of spiritual practical and social changes accompany that The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity Hidden Bruises in Holy Places: A Victim's Voice Michele

Armstrong,2021-04-05 The car chase that nearly killed them both was the end of the marriage but just the beginning of the story Catch a glimpse of narcissistic religious abuse through the eyes of a survivor of a thirty year abusive marriage to a minister Travel the road of darkness on the quest for light Experience the victory that only comes through healing Michele Armstrong describes in detail her journey from victim to victor bringing to light the objective that freedom from the evil grip of abuse is available to everyone through the healing power of Jesus Anyone can be a victim and unfortunately many times abusers are well respected leaders in society and even in the church Hiding behind the mask of charisma and charm in the public eye abusers are monsters behind closed doors The author exposes the abuser s secrets and dispels the victim s shame while advocating for healing and victory Through informed awareness the church can foster a safe and healing environment and dispel the religious stigma associated with victimization and the aftermath Exposure dismantles the stronghold and with awareness comes responsibility of change and a redemptive solution for all individuals marriages families and churches across every corner of the world Finding My Way Back To Jesus: Volume One Melody Reed,2024-08-07 Volume One 8 7

24 This is my ongoing testimony and will be written in volumes in a diary memoir style This is a very personal story and it may get a little ramby or repetitive I may have typos bad grammar and other literary mistakes That s okay because I m not perfect and this is not meant to be a classical masterpiece I m not a preacher pastor or anything in between I m simply a woman who wants to find my way back to God Fair warning I am Catholic and my journey involves the Blessed Mother

The Soundtrack of My Life Susan Mary Paige,2022-11-18 I refer to my book as a memoir somewhat autobiographical but also a journal recounting my quest to discover more about those who came before me in my father s family Things grew complicated and I had no intention of writing about any of this until a colleague spoke the fateful words to me You need to write this down If I had not begun writing when I did much of this story would be lost to time and other life factors On the surface this is a mystery story about a cigar box of memorabilia I took possession of in 1977 after my dad died The cigar box

was no more than a curiosity so I would look at the contents and put it away Then came personal computers so I could search from the comfort of my home Like so many mysteries I thought the answers were rather straightforward The deeper I searched the more I was frustrated humbled and compelled to keep searching and writing for ten plus years As a Roman Catholic I soon saw this search had a deeper theological meaning for me as I pondered the relationship this journey had to the a communion of saints the b corporal works of mercy and ultimately c forgiveness of self and others I wrote this as a conversation with the reader asking them to ponder these same issues with me I also adopted the Catholic practice of picking a patron saint for this memoir and who is better than Saint Jerome I needed both a muse and a taskmaster and he fills both roles quite ably He is also the patron saint of archivers and that would certainly be me The music theme is a significant backdrop to my story Just like the movie background music or score kept subtle to set the tone and elicit emotion my lyrics and melody selections are used to express and convey the same As you will learn Emma herself was an accomplished musician In addition science suggests that this universe itself is believed to be finely tuned harmonic from galaxies to DNA As I write about implied realms beyond this one a music soundtrack seems appropriate
