Scorsese and Religion Christopher B. Barnett, Clark J. Elliston, 2019-09-16 *Scorsese and Religion* concerns the religious vision of the great American filmmaker Martin Scorsese Not only will this volume explore the foundation of Scorsese's interest in religion namely his relation to the Catholic Church but it will also highlight the religious breadth of Scorsese's corpus Ultimately this book demonstrates that Scorsese's cinematic representation of reality brings together various religious influences Catholicism existentialism Buddhism etc and topics such as violence morality nihilism and so on The overarching claim is that Scorsese who indeed once claimed that his whole life had been movies and religion cannot be properly understood without reflecting on the ways in which his religious interests are expressed in and through his art
