Olson, Andrew Scahill, 2012-05-18 Children have been a part of the cinematic landscape since the silent film era yet children are rarely a part of the theoretical landscape of film analysis *Lost and Othered Children in Contemporary Cinema* edited by Debbie C Olson and Andrew Scahill seeks to remedy that oversight Throughout the over one hundred year history of cinema the image of the child has been inextricably bound to filmic storytelling and has been equally bound to notions of romantic innocence and purity This collection reveals however that there is a body of work that provides a counter note of darkness to the traditional portraits of sweetness and light Particularly since the mid twentieth century there are a growing number of cinematic works that depict childhood as a site of knowingness despair sexuality death and madness *Lost and Othered Children in Contemporary Cinema* challenges notions of the innocent child through an exploration of the dark side of childhood in contemporary cinema The contributors to this multidisciplinary study offer a global perspective that explores the multiple conditions of marginalized childhood as cinematically imagined within political geographical sociological and cultural contexts

## **Media Ownership and Concentration in America**

Eli Noam, 2009-10-19 People have worried for many years about the concentration of private power over the media as evidenced by controversy over Federal Communication Commission rulings on broadcast ownership limits The fear it seems is of a

media mogul with a political agenda a new William Randolph Hearst who could help start wars or run for political office using the power of the media In the light of these concerns about freedom of speech Eli Noam provides a comprehensive survey of media concentration in America covering everything from the early media empire of Benjamin Franklin to the modern day cellular phone industry      *Futurama: Looking Backward at Present Day America* Christian Schlegel,2014-06-27 Matt Groening developed together with his friend and colleague David X Cohen the TV Show Futurama set in New York in the year 3000 Groening describes his vision of the future in Futurama as corporate commercial and confusing which is not what he expects it to be and it is not necessarily valuing this world as good or bad Thus the assumption of this study is that Futurama presents a stereotyped science fiction world that deals with themes and problems of our present time This becomes clear when looking at the excessive use of allusions and references to political and historical events as well as to popular and classical culture The creators comment that way on topics that concern us or at least should concern us today The task of this study is to identify these topics and references focusing on America as a political entity and thereby discuss the points of criticism Futurama raises      **Captain America and the Struggle of the Superhero** Robert G.

Weiner,2009-06-08 For more than 60 years Captain America was one of Marvel Comics flagship characters representing truth strength liberty and justice The assassination of his alter ego Steve Rogers rocked the comic world leaving numerous questions about his life and death This book discusses topics including the representation of Nazi Germany in Captain America Comics from the 1940s to the 1960s the creation of Captain America in light of the Jewish American experience the relationship between Captain America and UK Marvel s Captain Britain the groundbreaking partnership between Captain America and African American superhero the Falcon and the attempts made to kill the character before his real death

**America Accept the Truth, Repent, and Save Our Country** Dr. Derek Lawrence-Harper,2023-04-23 God s timing is not our timing but the bible is clear that judgment will come America will be judged for its misdeeds one day It is the author s hope that people will re read the bible and encourage people to read this book to know that the author s goal is to first save souls and second save our country Ideally we need to be in a financial position to help others To resolve problems in this country we must be honest and accept the truth to move forward Most Americans including the author need all their income to pay bills and have means to enjoy themselves The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous Hopefully anyone who became rich did not compromise their morality or abuse misuse or oppress others for their personal gain If so pray that they repent Our country is in trouble as Compromised Christianity Atheism Agnosticism and Satanic influence is on the rise while Bible Believing Christians are declining getting older and are dying off It has been said that those who ignore history repeat history Dr Martin Luther King once stated that truth suppressed to earth shall rise again The author is here to talk about the truth that is rising in our time now      *Lost Anarchy: the pig, the sheep, and the dog* Mojo El Diablo,      **100 Entertainers**

**Who Changed America** Robert C. Sickels, 2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual s influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship
