uses the fictional hamlet of Old Rimrock NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s 70s Critics have called Old Rimrock mythic but it is based on a very real place the small Morris county town of Brookside New Jersey American Anti Pastoral reads the events in Roth s novel in relation to the history of Brookside and its region While Roth s protagonist Seymour Swede Levov initially views Old Rimrock as an idyllic paradise within the Garden State its real world counterpart has a more complex past in its origins as a small industrial village as well as a site for the politics of exclusionary zoning and a 1960s anti war protest at its celebrated 4th of July parade Literary historian and Brookside native Thomas Gustafson casts Roth s canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature making a case for it as the Great New Jersey novel For Roth fans and history buffs alike American Anti Pastoral peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault lines of race and religion in American democracy

What Happened to Anna K. Irina Reyn,2008-08-12 A mesmerizing debut novel that reimagines Tolstoy s classic tragedy Anna Karenina for our time Vivacious thirty seven year old Anna K is comfortably married to Alex an older prominent businessman from her tight knit Russian Jewish immigrant community in Queens But a longing for freedom is reignited in this bookish overly romantic and imperious woman when she meets her cousin Katia Zavurov s boyfriend an outsider and aspiring young writer on whom she pins her hopes for escape As they begin a reckless affair Anna enters into a tailspin that alienates her from her husband family and entire world In nearby Rego Park s Bukharian Jewish community twenty seven year old pharmacist Lev Gavrilov harbors two secret passions French movies and the lovely Katia Lev s restless

longing to test the boundaries of his sheltered life powerfully collides with Anna's But will Lev's quest result in life's affirmation rather than its destruction Exploring struggles of identity fidelity and community What Happened to Anna K is a remarkable retelling of the Anna Karenina story brought vividly to life by an exciting young writer *Racing in the Street* June Skinner Sawyers, 2004-04-06 For more than three decades Bruce Springsteen's ability to express in words and music the deepest hopes fears loves and sorrows of average Americans has made him a hero to his millions of devoted fans *Racing in the Street* is the first comprehensive collection of writings about Springsteen featuring the most insightful revealing famous and infamous articles interviews reviews and other writings This nostalgic journey through the career of a rock n roll legend chronicles every album and each stage of Springsteen's career It's all here Dave Marsh's Rolling Stone review of Springsteen's ten sold out Bottom Line shows in 1975 in New York City Jay Cocks's and Maureen Orth's dueling Time and Newsweek cover stories George Will's gross misinterpretation of Springsteen's message on his Born in the USA tour and Will Percy's 1999 interview for Double Take plus much much more [The Isabel Long Mysteries Books One to Three](#) Joan Livingston, 2025-07-30 The first three gripping novels in the explosive mystery series featuring journalist turned sleuth Isabel Long Chasing the Case Isabel Long has had a bad year Her husband died unexpectedly and she lost her job as editor in chief of a newspaper Now with time on her hands Isabel decides to reinvestigate a cold case that was her first big story as a rookie reporter Redneck's Revenge A dead father A grieving daughter Was it an accident or was it murder Soon after solving her first case Isabel Long finds herself facing new challenges Her relationship with Jack has ended and the police are insisting she must work for a licensed private investigator before going solo Checking the Traps Some say he jumped His brother says he was pushed Will she uncover the truth Isabel Long is still suffering from injuries as the result of her last investigation But that doesn't stop her from working at a bar or taking on a new case from Gary Beaumont a local drug dealer who once terrorized her Convinced his half brother didn't jump off the bridge known as a suicide spot Gary is certain that somebody pushed him *The Social Lives of Books* Edward Frederick Finn, 2011 This project explores how changing models of literary production are blurring or erasing the divisions between authors critics and readers Millions of cultural consumers are participating in previously closed literary conversations and expressing forms of mass distinction through their purchases and reviews of books These traces of popular reading choices constitute a fresh perspective on elusive audience reactions to literature and reveal evolving networks of conversation Employing network analysis methodologies and distant reading of book reviews recommendations and other digital traces of cultural distinction I develop a new model for literary culture in America today Through readings of the fiction and reception of Thomas Pynchon Toni Morrison David Foster Wallace and Junot Diaz this model outlines the fundamental requirements for contemporary literary fame My introduction outlines methodological tools I developed and situates them in the critical traditions of literary reception cultural sociology and media theory before describing the digital ecologies that have emerged around literature online and their value Chapter 1 explores

the nature of literary fame through a case study of Thomas Pynchon whose carefully guarded anonymity and ironic distance from capitalism are reflected in the networks his readers construct around his long challenging books In stark contrast Toni Morrison the subject of Chapter 2 has succeeded critically and commercially tirelessly seeking out readers to form literary communities around her writing most prominently through her collaboration with Oprah's Book Club Chapter 3 considers David Foster Wallace and Junot Diaz and sets out a model for contemporary literary culture a reading society that demands new forms of authorial reflexivity to mirror the collaborative iterative nature of digital literary conversations I conclude with a brief consideration of the exciting prospects and challenges for fiction in a world that reads more than ever but is growing disaffected with the material realities of literary production
