on the premise that mythology is not fanciful but the repository of ancient memories that the Bible ought to be read literally as a historic scientific document and that ancient civilizations older and greater than assumed were the product of knowledge brought to Earth by the Anunnaki Those Who from Heaven to Earth Came The 12th Planet the first book of the series presents ancient evidence for the existence of an additional planet in the Solar System the home planet of the Anunnaki In confirmation of this evidence recent data from unmanned spacecraft has led astronomers to actively search for what is being called Planet X The subsequent volume The Stairway to Heaven traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids which had served as landing beacons for it refuting the notion that these pyramids were built by human pharaohs Recently records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions The Wars of Gods and Men recounting events closer to our times concludes that the Sinai spaceport was destroyed 4 000 years ago with nuclear weapons Photographs of Earth from space clearly show evidence of such an explosion Such gratifying corroboration of audacious conclusions has been even swifter for The Lost Realms In the relatively short interval between the completion of the manuscript and its publication archaeologists linguists and other scientists have offered a coastal theory in lieu of the frozen trekking one to account for man's arrival in the Americas in ships as this volume has concluded These experts have suddenly discovered 2 000 years of missing civilization in the words of a Yale University scholar confirming this book's conclusion and are now linking the beginnings of such civilizations to those of the Old World as Sumerian texts and biblical verses For the first time the entire Earth Chronicles series is now available in a hardcover collector's edition [Goddess from the Lost Planet](#) Neal Roberts,2023-01-16 When the ancient gods threaten to return to Earth can a brilliant academician opposing their return keep a step ahead of their wrath New York 2034 Professor David Schubert remains a man adrift two years after the death of his beloved wife until one day his interest is piqued by the sudden disappearance of a mosque from the Temple Mount in Jerusalem an event that threatens to bring the world to the brink of destruction But David based upon special knowledge provided by a friend who's now dead recognizes the mosque's disappearance as portending the return to Earth of the ancient gods of Sumeria When the Pentagon enlists David in opposing the gods' invasion plans he finds himself drawn into a global crisis where his own special knowledge and skills might prove to be the key to halting the coming alien invasion David is sent to track down his dead friend's missing translations of obscure Sumerian texts as they may reveal important secrets about the impending return of a lost planet and a war between powerful gods that began thousands of years ago As David is increasingly drawn to the beautiful intelligence officer assigned to guard and protect him his fear grows that their breakneck search from country to country may fail to keep them a step ahead of the otherworldly forces determined to stop him Can he puzzle out the truth of these long departed gods before their return destroys the entire planet Goddess from the Lost Planet is the enthralling first book in the science fiction series From Heaven To Earth They Came If you like dashing and romantic

weeks an impenetrable Anunnaki ray has been neutralizing all thermonuclear triggers on Earth Someone however has evidently developed technology that can overcome the Anunnakis defensive ray David needs to identify the source of such mighty technology as it could be used to wipe humankind off the face of the Earth despite any peace forged between Earth and the Anunnaki David himself is unable to investigate as he is aboard an Anunnaki craft and working in a diplomatic capacity so his bodyguard U S Navy Lieutenant Commander Catharine Weldon is dispatched by the President to Northern Canada to pinpoint the missile's launch point and if possible recover a small scientific submarine that recently went missing while investigating suspicious activity on one of the largest lakes on the North American continent That night the icy lake erupts into a violent confrontation between Catharine with her hastily assembled contingent and an unidentified saucer shaped spacecraft under the command of the Anunnakis deadliest ancient enemy who'd long been thought dead Time is running out for David Catharine and humankind Can all out war between the gods be averted and humanity saved from destruction Buy Maker from the Lost Planet for a timeless tapestry of peril today **The Lost World of Adam and Eve**

John H. Walton, 2015-02-27 What if reading Genesis 2-3 in its ancient Near Eastern context shows that the creation account makes no claims regarding Adam and Eve's material origins John Walton's groundbreaking insights into this text create space for a faithful reading of Scripture along with full engagement with science creating a new way forward in the human origins debate [Nibiru Rising, the Lost Planet of Sumerian Gods](#) Ryan Moorhen, 2025-08-28 Across the clay tablets of

Mesopotamia a name appears like a cipher from the stars Nibiru the Planet of the Crossing To the ancients it was not merely a celestial body but a threshold a cosmic judge presiding over the rise and fall of ages From the Enuma Elish to the councils of the Anunnaki from Babylonian ziggurats to modern telescopes searching for Planet Nine Nibiru has always stood at the crossroads of myth and astronomy fear and revelation Nibiru Rising journeys deep into this mystery It traces the story of Nibiru from its first appearance in Babylonian creation myths through its echoes in flood legends and divine councils into its modern rebirth as Planet X and a symbol of apocalyptic prophecy Along the way it explores how ancient sky watchers may have encoded knowledge of long celestial cycles precession eclipses comets into temples myths and rituals anticipating the return of a hidden world that brings transformation whenever it crosses near Blending ancient history comparative mythology and the latest astronomical debates this book reveals how the memory of a single enigmatic planet has shaped civilizations for thousands of years Was Nibiru a literal body beyond Neptune a lost piece of cosmic architecture or a symbolic key to understanding time itself Whether read as prophecy science or myth its legacy is undeniable In a world where the past and future seem to meet in the stars Nibiru Rising asks are we once again standing at the crossing

Hardy,2014-03-21 An in depth study of humanity s Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil s will to keep humanity underdeveloped clashing with Enki s and Ninmah s plan to make us equal in intelligence Reveals how humanity s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah s first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil s attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity s ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny **The Unspoken** Nadine Lobosco,2022-09-18 This is the untold story
