Nature Satyendra Sonkar, 2017-01-15 The author s first girlfriend nature is the first part of the book He is explaining the beauty of nature The beauty of nature is too beautiful and is never understood by the stupid humans Nature is being polluted by human beings Too much increase of the earth s temperature is a very critical situation for human beings The ice glaciers are melting due to global warming Forests rivers and seas are destroyed by humans alone The beautiful nature is weeping many times but nature can get angry and destroy everything in a second The author warns us that it may be 2099 and the entire country may be covered by sea or big earthquakes may occur These predictions have been made by some scientists In modern times love and humanity are dying Nature is weeping and upset while the humans are fighting each other The conditions are not good for surviving on the earth His philosophy is to change the human nature and love the beautiful nature The best and most beautiful things in the world cannot be seen or even touched they must be felt with the heart In the second part of the book the name of the story is Anunnaki They came from heaven It deals with the real story of human life in the 5000 BC how human race came on earth The author also tries to explain why the Anunnaki is disappeared This story is too mysterious The history of science and technology and philosophy are used in his books The Anunnaki came to earth and they spread more knowledge science and technology and provided good culture The humans gained too much from them The Anunnaki had long wings and flew in the sky The Anunnaki is the most thrilling topic The new SUPERHERO COMES IN INDIA IT MAY BE 2099 WHEN THE ANUNNAKI COMES BACK TO EARTH **Holy Spirit, My Love!** Sudong

hunger her tendency to live on the edge of what was socially acceptable and her irreverence and sharp sense of humor We also learn how her private life fed into the plots and characters of her novels despite her claims that they were not drawn from reality Direct and intimate these letters bring us closer than ever before to Iris Murdoch as a person making for an extraordinary reading experience **Maliseet Vocabulary** Montague Chamberlain,1899 **The Book of L.
