Stewart, 2025-07-29 Jonathan Demme one of the most influential and dynamic directors of the twentieth century was a fearless and radical filmmaker screenwriter and producer a compassionate artist advocate and humanist who was compelled to tell the stories of marginalized communities His intense passion and appreciation of music culture and art were interwoven throughout his life and extraordinary body of work There's No Going Back is the first complete biography of an auteur whose remarkable and versatile career encompassed acclaimed narratives documentaries and films spanning nearly five decades Best known for Melvin and Howard 1980 The Silence of the Lambs 1991 Philadelphia 1993 and Beloved 1998 Demme was an Oscar winning filmmaker with a recognizable style and voice He often used that voice to champion women's rights and amplify social and environmental justice issues Demme was also well regarded for the loyalty devotion and collegiality shown to the actors camera crew and technical staff he employed in his projects Cinephile and journalist David M Stewart affirms that Demme was more than just a quirky filmmaker or a product of 1970s New Hollywood he was ceaseless and earnest in his approach to capturing humanity in all its complexities Drawing from interviews with Demme's collaborators and colleagues Stewart presents the many facets of the filmmaker's life as seen through the eyes of those who were in his warm eclectic orbit There's No Going Back is a compelling and fitting tribute to the brilliance and breadth of the man behind the camera      **Dignaga on the Interpretation of Signs** R.P. Hayes, 2012-12-06 Buddhist philosophy in India in the early sixth century C.E. took an important turn away from the

traditional methods of explaining and systematizing the teachings in Siitra literature that were attributed to the Buddha The new direction in which several Indian Buddhist philosophers began to move was that of following reasoning to its natural conclusions regardless whether the conclusions conflicted with traditional teachings The central figure in this new movement was Dilinaga a native of South India who found his way to the centre of Buddhist education at Nalanda studied the treatises that were learned by the Buddhist intellectuals of his day and eventually wrote works of his own that formed the core of a distinctly new school of Buddhist thought Inasmuch as virtually every Indian philosopher after the sixth century had either to reject Dirinaga s methods or build upon the foundations provided by his investigations into logic epistemology and language his influence on the evolution of Indian philosophy was considerable and indeed some familiarity with Dirinaga s arguments and conclusions is indispensable for anyone who wishes to understand the historical development of Indian thought Moreover since the approach to Buddhism that grew out of Dirinaga s meditations on language and the limits of knowledge dominated the minds of many of the scholars who took Buddhism to Tibet some familiarity with Dirinaga is also essential to those who wish to understand the intellectual infrastructure of Tibetan Buddhist philosophy and practice The

**The Trouble with Buddhism** Robert M. Ellis,2011-03-13 This book is a critique of Buddhism by a philosopher with about 20 years experience of practising Buddhism It attempts to judge Buddhism by the standards of its own key insight of the Middle Way This book argues that Buddhism has often abandoned the Middle Way and allowed dogmatic metaphysical assumptions to take its place The Buddha criticised appeals to metaphysics yet many of the trappings of traditional Buddhism are built on it whether these are karma and rebirth the revelations of the enlightened and their

scriptures dependent origination the interpretation of the Four Noble Truths alienated idealisations of love or rituals that celebrate metaphysics rather than insight This is not a purely negative book but an attempt at a balanced appraisal of Buddhism with praise as well as criticism In the West we have an opportunity to evaluate Buddhism anew and reform it so that it best applies its own insights *Cingalese-English* Benjamin Clough,1830 *A Dictionary of the English and Singhalese and Singhalese and English Languages* Benjamin Clough,1830 *A Dictionary of the English and Singhalese, and Singhalese and English Languages: Sinhalese-English* Benjamin Clough,1830 *Sanathana Sarathi English Volume 03 (1980 to 1989)* Sri Sathya Sai Media Centre,2022-11-09 Started in 1958 Sanathana Sarathi is a monthly magazine devoted to Sathya Truth Dharma Righteousness Shanti Peace and Prema Love the four cardinal principles of Bhagawan Baba s philosophy It is published from Prasanthi Nilayam the Abode of Highest Peace and acts as a mouthpiece of Baba s Ashram as it speaks of the important events that take place in His sacred Abode besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba The word meaning of Sanathana Sarathi is the Eternal Charioteer It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer It implies that he who places his life the body being likened to a chariot in an attitude of surrender in the hands of the Lord will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination The magazine is an instrument to disseminate spiritual knowledge for the moral physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal The fifteen Vahinis streams of sacredness known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures Itihasas like the Ramayana the Bhagavatha and the Mahabharata and authentic explanations on Dhyana Dharma Prema etc have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba This magazine is published in almost all Indian languages English and Telugu from Prasanthi Nilayam and others from respective regions Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday The English and Telugu magazines are posted on the 10th and 23rd respectively of every month from Prasanthi Nilayam This magazine has wide ever increasing circulation in India as well as abroad as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI Discoursing during the launch of Sanathana Sarathi From this day our Sanathana Sarathi will lead to victory the cohorts of truth the Vedas the Sastras and similar scriptures of all faiths against the forces of the ego such as injustice falsehood immorality and cruelty This is the reason why it has emerged This Sarathi will fight in order to establish world prosperity It is bound to sound the paeon of triumph when universal Ananda is achieved **Steps on the Path to Enlightenment** Geshe Lhundup Sopa,2004 *Life Now* Jansher,2024-07-30 The capability of today s man has become so narrow that it is painful to imagine Today s human life is reduced to working eating sleeping and reproducing First they placed today s man in a certain place then gave him the
