company unfortunately with limited success Unexpectedly the DeLorean car gained a new following based on its starring role in the 1985 movie hit Back to the Future and its two sequels Since DMC's bankruptcy in 1982 several entities have continued efforts to revive the brand for modern times today's marketplace and new audiences Rather than consignment to the dustbin of automotive history the DeLorean has achieved pop culture status and remains well recognized with growing appreciation today Dispelling common misconceptions about DMC DeLorean gives you the complete story in one handsomely designed volume illustrated throughout with historic images period ads and contemporary photos Whether you are a car enthusiast automotive historian or a pop culture fan you are sure to enjoy the ride     *The Publisher* ,1906     **The Official Price**
