Jacobs, Daniel M. Shea, 2023-11-21 The widening gulf between rural and urban America is becoming the most serious political divide of our day Support for Democrats up and down the ballot has plummeted throughout the countryside and the entire governing system is threatened by one party dominance After Donald Trump's surprising victories throughout rural America pundits and journalists went searching for answers popping into roadside diners and opining from afar Rural Americans are supposedly bigots culturally backward lazy scared of the future and radical But is it that simple Is the country splintering between two very different Americas one rural one urban This pathbreaking book pinpoints forces behind the rise of the rural voter a new political identity that combines a deeply felt sense of place with an increasingly nationalized set of concerns Combining a historical perspective with the largest ever national survey of rural voters Nicholas F Jacobs and Daniel M Shea uncover how this overwhelmingly crucial voting bloc emerged and how it has roiled American politics They show how perceptions of economic and social change racial anxieties and a traditional way of life under assault have converged into a belief in rural uniqueness and separateness Rural America believes it rises and falls together and that the Democratic Party stands in the way An unparalleled exploration of rural partisanship this book offers a timely warning that the chasm separating urban and rural Americans cannot be papered over with policies or rhetoric Instead The Rural Voter shows how this division is the latest chapter in the enduring conflict over American identity Twenty-two Years' Work of the Hampton Normal and Agricultural Institute at Hampton, Virginia Hampton Normal and Agricultural Institute (Va.), 1893 **The Papers of James Monroe, Volume 7** Daniel Preston, 2020-03-06 The 605 documents presented in Volume 7 of The Papers of James Monroe date from April 1814 the midpoint of Monroe's term as secretary of state under President James Madison to March 1817 just prior to his inauguration as president Volume 7 opens in the midst of the War of 1812 documenting Monroe's role as military adviser to President Madison during an ill fated defense of Washington in August 1814 his appointment as secretary of war in September 1814 and his return to the State Department in March 1815 when he began the work of normalizing relations with the European nations after the end of the Napoleonic wars Relations with Great Britain remained
