Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina *The New Encyclopedia of Southern Culture* James G. Thomas Jr., Charles Reagan Wilson, 2012-11-26 Science and medicine have been critical to southern history and the formation of southern culture For three centuries scientists in the South have documented the lush natural world around them and set a lasting tradition of inquiry The medical history of the region however has been at times tragic Disease death and generations of poor health have been the legacy of slavery the plantation economy rural life and poorly planned cities The essays in this volume explore this legacy as well as recent developments in technology research and medicine in the South Subjects include natural history slave health medicine in the Civil War public health eugenics HIV AIDS environmental health and the rise of research institutions and hospitals to name but a few With 38 thematic essays 44 topical entries and a comprehensive overview essay this volume offers an authoritative reference to science and medicine in the American South

Gruesome Looking Objects Elijah Gaddis, 2022-11-17 The 1898 lynching of Tom Johnson and Joe Kizer is retold in this groundbreaking book Unlike other histories of lynching that rely on conventional historical records this study focuses on the objects associated with the lynching including newspaper articles fragments of the victims clothing photographs and souvenirs such as sticks from the hanging tree This material culture approach uncovers how people tried to integrate the meaning of the lynching into their everyday lives through objects These seemingly ordinary items are repositories for the comprehension interpretation and commemoration of racial violence and white supremacy Elijah Gaddis showcases an approach to objects as materials of history and memory insisting that we live in a world suffused with the material traces of racial violence past and present *A Family Practice* William D. Lindsey, William L. Russell, Mary L. Ryan, 2020-05-14 *A Family Practice* is the sweeping saga of four generations of doctors Russell men seeking innovative ways to sustain themselves as medical practitioners in the American South from the early nineteenth to the latter half of the twentieth century The thread that binds the stories in this saga is one of blood of medical vocations passed from fathers to sons and nephews This study of four generations of Russell doctors is an historical study with a biographical thread running through it The authors take a wide ranging look at the meaning of intergenerational vocations and the role of family the economy and social issues on the evolution of medical education and practice in the United States Catalog of Copyright Entries. Series Library of Congress. Copyright Office,1978 **UNC A to Z** Nicholas Graham,Cecelia Moore,2025-04-04 In this revised and expanded edition UNC A to Z offers more Carolina history than ever before Covering everything from the Old Well and the Confederate monument to the COVID 19 pandemic and Roy Williams s retirement this book is a handy portable introduction to the nation s first public university the University of North Carolina at Chapel Hill With an additional twenty five mini histories and new photographs this book is perfect for new students getting to know the campus and alumni who want to learn more about their alma mater Each entry is packed with fascinating facts interesting stories and little known histories of the people places and events that have shaped the Carolina we know today *The 22nd Michigan Infantry and the Road to Chickamauga* John Cohassey,2019-01-14 Called upon to take a hill at the 1863 Battle of Chickamauga the untested 22nd Michigan Infantry helped to save General George H Thomas right flank Formed in 1862 the regiment witnessed slavery and encountered runaways in the border state of Kentucky faced near starvation during the siege of Chattanooga and marched to Atlanta as General Thomas provost guard This history explores the 22nd s day to day experiences in Kentucky Tennessee and Georgia The author describes the challenges faced by volunteer farm boys shopkeepers school teachers and lawyers as they faced death disease and starvation on battlefields and in Confederate prisons **Frank Porter Graham and the 1950 Senate Race in North Carolina** Julian M. Pleasants, Augustus M. Burns III,2017-03-01 The tumultuous North Carolina Senate primaries of 1950 are still viewed as the most bitter chapter in the state s modern political history The central figure in that frenzied race was the appointed incumbent Frank Porter Graham former president of the University of North Carolina 1931 49 and liberal activist of national stature As a Senate candidate Graham was unrelentingly attacked for both his social activism and his racial views and the vicious tactics used against him shocked his supporters and alarmed national observers Peeling away the myths that have accumulated over the years the authors present the first thoroughly researched account of Graham s eventual defeat by Raleigh attorney Willis Smith The result a balanced study of North Carolina politics at mid century is a convincing explanation of the 1950 election Using the campaign as a prism the authors assess the factional struggles within the state showing that Graham was defeated by a massive loss of support among white voters in eastern North Carolina The principal force behind this switch was the fear promulgated by the Smith campaign that a vote for Graham was a vote to end statutory segregation in North Carolina The authors also offer the fullest portrait to date of Frank Porter Graham as political candidate and social reformer They examine his career as an educator and public activist the steps that led to his unorthodox appointment and his strengths and weaknesses as a political candidate **Frank Porter Graham and the 1950 Senate Race in North Carolina** is based on manuscript materials never before examined on interviews with more than 50 campaign participants and associates of both Graham and Smith and on a thorough analysis of newspaper coverage and campaign literature Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books

The "Immortal Six Hundred" and the Failure of the Civil War POW Exchange Process John F. Schmutz, 2024-11-22 Compounding the devastating tragedy of the Civil War was the failure of the warring parties to maintain a system for exchange of prisoners of war rather than imprisoning combatants for the duration This failure added at least 56 000 deaths to those accumulating on the battlefield and caused the untold suffering of many thousands more This book focuses on 600 Confederate officers made prisoners of war who were dispatched to Charleston Harbor to act as human shields and were subsequently imprisoned elsewhere and deliberately starved nearly to death These actions were the result of the breakdown of the exchange cartel as well as the retaliation policies promoted by the Secretary of War and the Lincoln administration

The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 *The Davidson Family of Rural Hill, North Carolina* Jim Williams, Ann

Williams, 2020-02-12 John Davidson came to the North Carolina back country circa 1751 as a young man with his sister and

widowed mother Typical of Scots Irish settlers they arrived with little more than basic farming tools determined to make it on their own terms Davidson worked hard prospered married well and built a plantation on the Catawba River he called Rural Hill The Davidson s were loyal British citizens who paid their taxes and participated in colonial government When the Crown s overbearing authority interfered independence became paramount and Davidson and his neighbors became soldiers in the Revolutionary War After the war Davidson managed his plantation created shad fisheries helped develop the local iron industry with his sons in law and was an early planter of cotton His sons and grandsons along with their slave families continuously increased and improved the acreage and became early practitioners of scientific farming Drawing on public documents family papers and slave records this history describes how a fiercely independent family grew their lands and fortunes into a lasting legacy

The Richmond Theater Fire Meredith Henne Baker, 2012-03-14 On the day after Christmas in 1811 the state of Virginia lost its governor and almost one hundred citizens in a devastating nighttime fire that consumed a Richmond playhouse During the second act of a melodramatic tale of bandits ghosts and murder a small fire kindled behind the backdrop Within minutes it raced to the ceiling timbers and enveloped the audience in flames The tragic Richmond Theater fire would inspire a national commemoration and become its generation s defining disaster A vibrant and bustling city Richmond was synonymous with horse races gambling and frivolity The gruesome fire amplified the capital s reputation for vice and led to an upsurge in antitheater criticism that spread throughout the country and across the Atlantic Clerics in both America and abroad urged national repentance and denounced the stage a sentiment that nearly destroyed theatrical entertainment in Richmond for decades Local churches by contrast experienced a rise in attendance and became increasingly evangelical In *The Richmond Theater Fire* the first book about the event and its aftermath Meredith Henne Baker explores a forgotten catastrophe and its wide societal impact The story of transformation comes alive through survivor accounts of slaves actresses ministers and statesmen Investigating private letters diaries and sermons among other rare or unpublished documents Baker views the event and its outcomes through the fascinating lenses of early nineteenth century theater architecture and faith and reveals a rich and vital untold story from America s past

Gun Barons John Bainbridge, Jr., 2022-05-24 John Bainbridge Jr s *Gun Barons* is a narrative history of six charismatic and idiosyncratic men who changed the course of American history through the invention and refinement of repeating weapons Love them or hate them guns are woven deeply into the American soul Names like Colt Smith Wesson Winchester and Remington are legendary Yet few people are aware of the roles these men played at a crucial time in United States history from westward expansion in the 1840s through the Civil War and into the dawn of the Gilded Age Through personal drive and fueled by bloodshed they helped propel the young country into the forefront of the world s industrial powers Their creations helped save a nation divided while planting seeds that would divide the country again a century later Their inventions embodied an intoxicating thread of American individualism part fiction part reality that remains the foundation of modern gun culture They promoted guns not

only for the soldier but for the Everyman and also made themselves wealthy beyond their most fevered dreams Gun Barons captures how their bold inventiveness dwelled in the psyche of an entire people not just in the minds of men who made firearm fortunes Whether we revere these larger than life men or vilify them they helped forge the American character

The Dunning School John David Smith,J. Vincent Lowery,2013-10-14 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses **The North Carolina Historical Review** ,1989
