**Borderlands** J. C. A. Stagg,2009-02-17 In examining how the United States gained control over the northern borderlands of Spanish America this text reassesses the diplomacy of President James Madison The author also describes how a myriad cast of local leaders officials and other small players affected the borderlands diplomacy between the United States and Spain

Disrobed Mark W. Smith,2006-06-13 ATTENTION CONSERVATIVES Forget everything you think you know about the courts and arm yourselves with this brand new urgently needed battle plan to defeat the Left s legal assault on America How to Bring the Reagan Revolution to America s Courts FINALLY With the Harriet Miers fiasco a distant memory and John Roberts and Samuel Alito sitting on the Supreme Court conservatives can finally stop worrying about the courts right Wrong Dead wrong America s courts legal culture and law schools remain solidly in the Left s camp Decades of liberal legal precedents fill volumes of law tomes Absent a sweeping change precisely what bestselling author Mark W Smith calls for in Disrobed liberals will ruthlessly exploit their dominant position in the law to continue advancing their radical agenda as they have for the past seventy years Smith a nationally recognized attorney lays out an aggressive new battle plan to thwart the liberal assault on America by turning the courts into allies of the conservative movement Be warned Disrobed is not for the fainthearted Smith implores conservatives Toss out practically everything you think you know about courts judges and American law because it s naive anachronistic and self defeating Fearlessly challenging the conventional conservative wisdom Disrobed reveals Why conservatives must immediately embrace not decry judicial activism A bold new model for finding strong conservative judges behold the Judicial Reagan Why litmus tests so often vilified represent the only way to pick reliable conservative judges How to get sitting judges to evolve finally to the right How the Right can sue more to advance the conservative agenda on guns taxes immigration the right to life you name it How conservatives can turn liberals favorite court rulings against them The hard truth that who wins in the courts often depends more on politics and ideology than on the rule of law Smith reminds us that courts judges and lawyers need not be enemies of the Right and can even serve as valuable allies in the war against liberalism But as his groundbreaking book shows conservatives must force this change by taking swift action Disrobed issues a call to arms to all conservatives revealing that the courts are far too important to be left to the devices of academics lawyers and politicians Conservatives Smith writes must accept and adapt our strategies to the reality of the modern law even when the truth is uncomfortable Otherwise the conservative political agenda and the American way of life will keep getting destroyed legal case by legal case in the courts Also available as an eBook From the Hardcover edition *The Oil Weekly* ,1927 **The Republic** ,1875 **Reports of Cases Argued and Decided in the Supreme Court of the United States** United States.
