French Louisiana Music and Its Patrons Patricia Peknik, 2018-09-10 French Louisiana music emerged from the bayous and prairies of Southwest Louisiana in the late nineteenth and early twentieth centuries. Pioneered by impoverished Acadian and Afro Caribbean settlers, the sound is marked by a high pitched fiddle playing loud and fast above the bellow of a diatonic accordion. With lyrics about disaster and heartache sung cheerfully in a French dialect, the effect is dissonant and haunting. French Louisiana music was largely ignored in mainstream music culture except by a handful of collectors, scholars, and commercial promoters who sought to popularize it. From the first recordings in the 1920s to the transformation of the genre by the 1970s, the spread of this regional sound was driven by local, national, and international elites who saw the music's traditions and performers in the context of larger social, political, and cultural developments, including the folk revival and the civil rights and ethnic revival movements. Patricia Peknik illuminates how the music's history and meaning were interpreted by a variety of actors who brought the genre onto a national and global stage, revealing the many interests at work in the popularization of a regional music.

Cajun and Zydeco Dance Music in Northern California Mark F. DeWitt, 2010-02-17 Queen Ida, Danny Poullard, documentary filmmaker Les Blank, Chris Strachwitz, and Arhoolie Records. These are names that are familiar to many fans of Cajun music and zydeco, and they have one other thing in common: longtime residence in the San Francisco Bay Area. They are all part of a vibrant scene of dancing and live Louisiana French music that has evolved over several decades. *Cajun and Zydeco Dance Music in Northern California* traces how this region of California has been able to develop and sustain dances several times a week with more than a dozen bands. Description of this active regional scene opens into a discussion of several historical trends that have affected life and music in Louisiana and the nation. The book portrays the diversity of people who have come together to adopt Cajun and Creole dance music as a way to cope with a globalized media-saturated world. Ethnomusicologist Mark F. DeWitt innovatively weaves together interviews with musicians and dancers, some from Louisiana, some not; analysis of popular media; participant observation as a musician and dancer; and historical perspectives from wartime black migration patterns, the civil rights movement, American folk and blues revivals, California counterculture, and the rise of cultural tourism in Cajun Country. In so doing, he reveals the multifaceted appeal of celebrating life on the dance floor Louisiana French style.
