Louisiana Stories:

Swapping Stories Carl Lindahl, Maida Owens, C. Renée Harvison, 2009-10-20 Here are more than two hundred oral tales from some of Louisiana's finest storytellers. In this comprehensive volume of great range are transcriptions of narratives in many genres from diverse voices and from all regions of the state. Told in settings ranging from the front porch to the festival stage, these tales proclaim the great vitality and variety of Louisiana's oral narrative traditions. Given special focus are Harold Talbert, Lonnie Gray, Bel Abbey, Ben Guin, and Enola Matthews, whose wealth of imagination, memory, and artistry demonstrates the depth as well as the breadth of the storyteller's craft. For tales told in Cajun and Creole, French, Koasati, and Spanish, the editors have supplied both the original language and English translation. To the volume, Maida Owens has contributed an overview of Louisiana's folk culture and a survey of folklife studies of various regions of the state. Carl Lindahl's introduction and notes discuss the various genres and styles of storytelling common in Louisiana and link them with the worldwide world of the folktale.

Louisiana Ghost Stories Jesse L. Wimberly, 2017-11-14 Louisiana is a place of legend, especially in the deep, dark bayou. Visit the swamps and smell the usual combination of decaying vegetation and sluggish water. You might sense another smell, too, one you can't identify but seems distinct. It could be more of a feeling than an odor. That feeling is fear, and it spreads past the bayou and into the heart of New Orleans. *Louisiana Ghost Stories* is a collection of original tales based on fact, mixed with myth. A place of legend, the state is also a place of storytelling, and many of those stories grow like thick vines in the memories of locals and visitors alike. Step into the haunted plantations. Hear about voodoo and gris gris. Examine pirate legends and follow ghosts into the dark. Come face to face with the Cajun werewolf known as the loup garou. Hear of the heinous offenses of infamous serial killer the Axeman. Learn the horrid history of the LaLaurie mansion and even stumble upon a tale of Halloween's Eve. With stories eerie, mysterious, sexy, and colorful, prepare yourself to be scared as legends come to life and haunt the page.

Strange True Stories of Louisiana George Washington Cable, 2019-05-15 Featuring seven factual accounts of life and history in the area, this compilation includes tales of French nuns, haunted houses, and even a Union woman trapped behind Civil War battle lines. Cable brings together all the unusual and unique aspects of New Orleans and the South in this literary collection. Amazon.

Louisiana Ghost Stories II Jesse L. Wimberly, 2020-01-23 New Orleans claims to be the most haunted place in America, and the Crescent City has the stories to back it up. *Louisiana Ghost Stories II* is the second riveting collection from acclaimed author Jesse Wimberly. These ten tales of the macabre are set in and around New Orleans and are guaranteed to frighten and enlighten. Go down to the crossroads on a moonless night and meet Old Scratch. Eavesdrop in Pirate's Alley when Jean Lafitte reveals the location of his hidden treasure. Venture into the asylum or the heart of Mardi Gras as Inspector Sterling investigates brutal murders in the city. Get lost with two brothers on a flatboat in the swamp when they meet The Mossgatherer. Rooted in actual events that have taken place over the years, these stories of the supernatural and occult will keep you on the edge of your seat. Whether

you believe in ghosts or not this collection will challenge even the bravest of readers *Strange True Stories of Louisiana*

STRANGE TRUE STORIES of LOUISIANA (Annotated) George W. CABLE, 2021-08-20 True stories are not often good art The relations and experiences of real men and women rarely fall in such symmetrical order as to make an artistic whole Until they have had such treatment as we give stone in the quarry or gems in the rough they seldom group

themselves with that harmony of values and brilliant unity of interest that result when art comes in not so much to transcend nature as to make nature transcend herself

Race and Culture in New Orleans Stories James Nagel, 2014-02-14 All of these historical factors energize and enrich the fiction of this important region The literary context of these volumes is also central to understanding their place in literary history They are short story cycles collections of short fiction that contain unifying settings recurring characters or character types and central themes and motifs They are also examples of the local color tradition in fiction a movement that has been much misunderstood Nagel maintains that local color literature was meant to be the highest form of American writing not the lowest and its objective was to capture the locations folkways values dialects conflicts and ways of life in the various regions of the country in order to show that the lives of common citizens were sufficiently important to be the subject of serious literature

Something in Common Ann Brewster Dobie, 1991-03-01 The nineteen stories that this memorable collection comprises are a powerful testament to the continuing vitality of the literary tradition in Louisiana Something in Common includes work by such well known Louisiana writers as Walker Percy Ernest Gaines Shirley Ann Grau and Andr Dubus as well as stories by younger writers whose reputations are still being established Together the stories provide a remarkable record of the vigor of fiction in Louisiana as the twentieth century draws to a close Though contemporary these stories are a result of the habit of telling tales that goes back to the earliest days of the state s history They come from writers who may now live in Maine or California but who remember that our stories become a mirror in which we can see ourselves and know who we are and where we have come from The stories have in common a fundamental belief in the power of the written word to define a particular place and time They testify to the rich culture of the past when Louisiana s ways set it apart and to present that is pulling the state to be part of social forces once foreign to its ways They reveal a society of several races and many histories with fading definitions of traditional roles and changing family patterns Additionally these stories depict the changes brought on by merging the old with the new They rehearse the familiar themes of good evil freedom and reality with a voice not heard in the Louisiana of the past To establish tradition they bring a fresh point of view Something in Common remembers the past shows us the present and points the way to the future
