## **Love Analyzed:**

Love Analyzed Roger Lamb, 2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship In this collection of new essays in philosophical and moral psychology philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis erotic love Also included is one previously published paper by Martha Nussbaum Among the problems discussed are the role that qualities of the beloved play in love the so called union theory of love intentionality and autonomy in love and traditional issues surrounding jealousy and morality

**The Moral Psychology of Love** Arina Pismenny, Berit Brogaard, 2022-03-28 Under what circumstances can love generate moral reasons for action Are there morally appropriate ways to love Can an occurrence of love or a failure to love constitute a moral failure Is it better to love morally good people This volume explores the moral dimensions of love through the lenses of political philosophy psychology and neuroscience It attempts to discern how various social norms affect our experience and understanding of love how love relates to other affective states such as emotions and desires and how love influences and is influenced by reason What love is affects what love ought to be Conversely our ideas of what love ought to be partly determined by our conception of what love is

**New Philosophical Essays on Love and Loving** Simon Cushing, 2021-09-20 New philosophical essays on love by a diverse group of international scholars Topics include contributions to the ongoing debate on whether love is arational or if there are reasons for love and if so what kind the kinds of love there may be between humans and artificial intelligences between non human animals and humans whether love can explain the difference between nationalism and patriotism whether love is an necessary component of truly seeing others and the world whether love like free will is fragile and may not survive in a deterministic world and whether or not love is actually a good thing or may instead be a force opposed to morality Key philosophers discussed include Immanuel Kant Iris Murdoch Bernard Williams Harry Frankfurt J David Velleman Niko Kolodny Thomas Hurka Bennett Helm Alfred Mele and Derk Pereboom Essays also touch on the treatment of love in literature and popular culture from Graham Greene s *The End of the Affair* to Spike Jonze s movie *Her*

Love's Philosophy Richard White, 2001-10-09 Love comes in many forms and touches all our lives and despite its changing history it remains constant in human experience *Love's Philosophy* explores the basic expressions of love In this book White looks at friendship romance parenthood and humanitarian love in classical and contemporary perspective He argues that the philosophical oblivion of love has been a mistake By examining both the historical and contemporary formations of love he proposes alternative models to guide both our thinking and our experience of loving

**Love on Trial: Adjusting and Assigning Relationships** , 2020-04-28

Politics and the Order of Love Eric Gregory, 2008-08-15 Augustine for all of his influence on Western culture and politics was hardly a liberal Drawing from theology feminist theory and political philosophy Eric Gregory offers here a liberal ethics of citizenship one less susceptible to anti liberal critics because it is informed by the Augustinian tradition The result is a book that expands Augustinian

imaginings for liberalism and liberal imaginings for Augustinianism Gregory examines a broad range of Augustine's texts and their reception in different disciplines and identifies two classical themes which have analogues in secular political theory love and related notions of care solidarity and sympathy and sin as well as related notions of cruelty evil and narrow self interest From an Augustinian point of view Gregory argues love and sin constrain each other in ways that yield a distinctive vision of the limits and possibilities of politics In providing a constructive argument for Christian participation in liberal democratic societies Gregory advances efforts to revive a political theology in which love's relation to justice is prominent Politics and the Order of Love will provoke new conversations for those interested in Christian ethics moral psychology and the role of religion in a liberal society [Philosophy of Love, Sex, and Marriage](#) Raja Halwani, 2010-05-26 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In this lively lucid and comprehensive textbook Raja Halwani pursues the philosophical questions inherent in these three important aspects of human relationships exploring the nature uses and ethics of romantic love sexuality and marriage The book is structured in three parts Love begins by examining how romantic love differs from other types of love such as friendship and parental love It asks which properties of love are essential whether people have a choice in whom they love and whether lovers have moral obligations to one another that differ from those they owe to others Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It offers theoretical and applied ethical approaches to a wide range of sexual phenomena Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also surveys accounts of why people should or should not marry and introduces the main arguments for and against gay marriage Features include suggestions for further reading online eResource site with downloadable discussion questions a clear jargon free writing style

**Love's Labour's Lost by William Shakespeare (Book Analysis)** Bright Summaries, 2019-04-04 Unlock the more straightforward side of Love's Labour's Lost with this concise and insightful summary and analysis This engaging summary presents an analysis of Love's Labour's Lost by William Shakespeare a comedy centred on Ferdinand the King of Navarre and three of his closest friends all of whom decide to swear an oath to avoid the company of women and devote themselves to philosophical study for three years However their resolve is shaken when the Princess of France visits the court and each of them falls in love with a member of her entourage leading to a series of comic antics and misadventures Love's Labour's Lost is a lesser known play by William Shakespeare who is widely considered to be one of the most influential writers in the history of the English language Find out everything you need to know about Love's Labour's Lost in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries.com Available in print and digital format our publications are

Love's Vision Troy Jollimore,2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love s Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern

The Things That Really Matter Michael Hauskeller,2022-05-10 While being rooted in the academic discourse The Things That Really Matter comprehensively explores the most fundamental aspects of human life in an accessible non technical language adding fresh perspectives and new arguments and considerations that are designed to stimulate further debate and in some cases a deliberate redirection of research interests in the respective areas It features a series of conversations about the things in our life that we all in one way or another wrestle with if we are at all concerned about what kind of world we live in and what our role in it is things like birth age and death good and evil the meaning of life the nature of the self and the role the body plays for our identity our gendered existence love and faith free will beauty and our experience of the sacred Situating abstract ideas in concrete experience The Things That Really Matter encourages the reader to participate in an open ended dialogue involving a variety of thinkers with different backgrounds and orientations Lively and accessible it shows thinking as an open ended process and a collaborative endeavour that benefits from talking to each other rather than against each other featuring real conversations where ideas are explored tested changed and occasionally dropped It is thinking in motion personal yet universal

**Joseph Albo on Free Choice** Shira Weiss,2017-08-07 Scripture is replete with narratives that challenge a variety of philosophical concepts including morality divine benevolence and human freedom Free choice a significant and much debated concept in medieval philosophy continues to be of great interest to contemporary philosophers and others However scholarship in biblical studies has primarily focused on compositional history philology and literary analysis not on the examination of the philosophy implied in biblical texts In this book Shira Weiss focuses on the Hebrew Bible s encounter with the philosophical notion of free choice as

interpreted by the fifteenth century Spanish Jewish philosopher Joseph Albo in one of the most popular Hebrew works in the corpus of medieval Jewish philosophy Albo's Examining narratives commonly interpreted as challenging human freedom the Binding of Isaac the Hardening of Pharaoh's Heart the Book of Job and God's Choice of Israel Albo puts forward innovative arguments that preserve the concept of free choice in these texts Despite the popularity of The Book of Principles Albo has been commonly dismissed as an unoriginal thinker As a result argues Weiss the major original contribution of his philosophy his theory of free choice as explained in unique exegetical interpretations has been overlooked This book casts new light on Albo by demonstrating both the central importance of his views on free choice in his philosophy and the creative ways in which they are presented      Forgiveness and Love Glen Pettigrove, 2012-08-30 What is forgiveness When is it appropriate Is it to be earned or can it be freely given Is it a passion we cannot control or something we choose to do Glen Pettigrove explores the relationship between forgiving understanding and loving He examines the significance of character for the debate and revives the long neglected virtue of grace      *The Science of a New Life* John Cowan, 2023-12-31 Reprint of the original first published in 1874      **The Science of a New Life** John COWAN (M.D.), 1869      *Vertigo* Katalin Makkai, 2013-08-21 Released in 1958 Vertigo is widely regarded as Alfred Hitchcock's masterpiece and one of the greatest films of all time This is the first book devoted to exploring the philosophical aspects of Vertigo Following an introduction by the editor that places the film in context each chapter reflects upon Hitchcock's film from a philosophical perspective Topics discussed include memory loss memorialisation and creativity mimetic or representational art and art as magic the nature of romantic love gender sexual objectification and identity looking the gaze and voyeurism film and psychoanalysis fantasy illusion and reality the phenomenology of colour Including annotated further reading at the end of each chapter this collection is essential reading for anyone interested in Vertigo and an ideal resource for students of film and philosophy

**Popular Music Theory and Analysis** Thomas Robinson, 2017-04-21 Popular Music Theory and Analysis A Research and Information Guide uncovers the wealth of scholarly works dealing with the theory and analysis of popular music This annotated bibliography is an exhaustive catalog of music theoretical and musicological works that is searchable by subject genre and song title It will support emerging scholarship and inquiry for future research on popular music      *Immortality and the Philosophy of Death* Michael Cholbi, 2015-12-02 Death comes for us all eventually Philosophers have long been perplexed by how we ought to feel about death Many people fear death and believe that death is bad for the person who dies But is death bad for us and if so how is its badness best explained If we do not survive death if death is simply a state of nothingness how can death be bad for us If death is bad for us do we have good reason to live as long as possible Would an immortal life really be a good human life or would even an immortal life eventually become tedious and make us long for mortality This volume presents fourteen philosophical essays that examine our attitudes toward mortality and immortality The topics addressed have become more urgent as scientists attempt to extend the human lifespan perhaps even indefinitely

This book invites the reader to critically appraise his or her own attitudes toward death and immortality by exploring the ethical metaphysical and psychological complexities associated with these issues

Quantitative Literary Analysis of the Works of Aphra Behn Laura L. Runge, 2023-05-09 Aphra Behn 1640 1689 prolific and popular playwright poet novelist translator has a fascinating and extensive corpus of literature that plays a key role in literary history Quantitative Literary Analysis of the Works of Aphra Behn Words of Passion offers what no book has done to date an analysis of all Behn's literary output It examines the author's use of words in terms of frequencies and distributions and stacks the words in context to read Behn's word usage synchronically Using this experimental method the book brings digital humanities into literary criticism to enhance our understanding and appreciation of literature beyond what is possible in diachronic reading and scholarship less supported by digital means The empirical approach works in collaboration with existing scholarship to understand Behn's distinct language of love and extreme passions across her genres

**Addresses** Henry Drummond, 2019-09-25 Reproduction of the original Addresses by Henry Drummond

*The World's Great Sermons: Drummond to Jowett, and General Index* Various, 2023-08-12 The anthology The World's Great Sermons Drummond to Jowett and General Index serves as a profound exploration of the art of sermon delivery across a range of influential Christian speakers Compiling notable works from eminent preachers this collection showcases a diverse array of theological discourse rhetorical techniques and stylistic approaches The sermons span multiple centuries and theological perspectives reflecting the broader literary context of religious oratory and offering insights into the human condition spirituality and morality The book not only serves as a repository of rhetorical brilliance but also challenges readers to engage deeply with the spoken word's power and its enduring resonance in society The varied authors represented in this compilation are titans of the pulpit each contributing rich perspectives informed by their historical and cultural contexts Scholars and theologians such as Henry Drummond and Joseph Parker were driven by a profound belief in the transformative power of the sermon Their contributions reveal the intersection of faith and intellect illuminating theological discourse while inviting critical engagement with questions of ethics and existence Their passion and commitment to elucidating spiritual truths have made their sermons timeless This anthology is a must read for anyone interested in the intersection of literature religion and public speaking It not only offers spiritual nourishment but also encourages readers to reflect on the eloquent expression of faith throughout history Whether you are a scholar a seeker of wisdom or simply an admirer of skilled rhetoric this collection serves as both an educational resource and a source of inspiration
