A History of Twentieth-Century American Women's Poetry Linda A. Kinnahan,2016-06-20 A History of Twentieth Century American Women s Poetry explores the genealogy of modern American verse by women from the early twentieth century to the millennium Beginning with an extensive introduction that charts important theoretical contributions to the field this History includes wide ranging essays that illuminate the legacy of American women poets Organized thematically these essays survey the multilayered verse of such diverse poets as Edna St Vincent Millay Marianne Moore Anne Sexton Adrienne Rich and Audre Lorde Written by a host of leading scholars this History also devotes special attention to the lasting significance of feminist literary criticism This book is of pivotal importance to the development of women s poetry in America and will serve as an invaluable reference for specialists and students alike Handbook of the American Novel of the Twentieth and Twenty-First Centuries Timo Müller,2017-01-11 Increasing specialization within the discipline of English and

American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts. These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading. As a result, students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s, much of which relies on dated methodological and ideological presuppositions. The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road. These readings do not revert naively to a time before theory. Instead, they distill the insights of literary and cultural theory into concise introductions to the historical background, the themes, the formal strategies, and the reception of influential literary texts, and they do so in a jargon-free language accessible to readers on all levels of qualification.

*Birds of Paradise Lost* Andrew Lam, 2012-03-01 From the award-winning author of *Perfume Dreams*, a collection of thirteen short stories following Vietnamese immigrants new to the United States. The thirteen stories in *Birds of Paradise Lost* shimmer with humor and pathos as they chronicle the anguish and joy and bravery of America s newest Americans, the troubled lives of those who fled Vietnam and remade themselves in the San Francisco Bay Area. The past memories of war and its aftermath of murder, arrest, re-education camps, and new economic zones of escape and shipwreck and atrocity is ever present in these wise and compassionate stories. It plays itself out in surprising ways in the lives of people who thought they had moved beyond the nightmares of war and exodus. It comes back on TV in the form of a confession from a cannibal; it enters the Vietnamese restaurant as a Vietnam Vet with a shameful secret; it articulates itself in the peculiar tics of a man with Tourette s Syndrome who struggles to deal with a profound tragedy. *Birds of Paradise Lost* is an emotional tour de force, intricately rendering the false starts and revelations in the struggle for integration and, in so doing, the human heart. Finalist for the California Book Award. His stories are elegant and humane and funny and sad. Lam has instantly established himself as one of our finest fiction writers. Robert Olen Butler, Pulitzer Prize-winning author of *Perfume Mountain*. Read Andrew Lam and bask in his love of language and his compassion for people, both those here and those far away. Maxine Hong Kingston, award-winning author of *The Woman Warrior*.

Contemporary American Fiction Kenneth Millard, 2000 Millard leads the interpretation of post-1970 fiction by addressing particular authors and themes. **A Companion to the American Short Story** Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries. Written by leading critics in the field and edited by two major scholars, it explores a wide range of writers from Edgar Allan Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway, William Faulkner, F. Scott Fitzgerald, and Richard Wright. Contributions with a broader focus address groups of multiethnic Asian and Jewish writers. Each chapter places the short story into context, focusing on the interaction of cultural forces and aesthetic principles. The Companion takes account of cutting-edge approaches to literary studies and contributes to the ongoing
