Love And Ideology In The Afternoon Soap Opera Women And Television Genre:

Love and Ideology in the Afternoon Laura Stempel Mumford,1995 Why do I like soap operas Laura Stempel Mumford asks and her answer emerges in a feminist analysis of soap opera that participates in current debates about popular culture television and ideology She argues that the conventional daytime soap has an implicit and at times explicit political agenda that cooperates in the teaching of male dominance and the related oppressions of racism classism and heterosexism so that they seem inevitable All My Children General Hospital Another World One Life to Live Days of Our Lives The Young and the Restless a close reading of their texts will also answer some larger questions about television and its place in the broad landscape of popular culture *Love and Ideology in the Afternoon* Russell E. Mumford,1995-08-22 Why do I like soap operas Laura Stempel Mumford asks and her answer emerges in a feminist analysis of soap opera that participates in current debates about popular culture television and ideology She argues that the conventional daytime soap has an implicit and at times explicit political agenda that cooperates in the teaching of male dominance and the related oppressions of racism classism and heterosexism so that they seem inevitable All My Children General Hospital Another World One Life to Live Days of Our Lives The Young and the Restless a close reading of their texts will also answer some larger questions about television and its place in the broad landscape of popular culture **Genre and Television** Jason Mittell,2013-05-13 Genre and Television proposes a new understanding of television genres as cultural categories offering a set of in depth historical and critical examinations to explore five key aspects of television genre history industry audience text and genre mixing Drawing on well known television programs from Dragnet to The Simpsons this book provides a new model of genre historiography and illustrates how genres are at work within nearly every facet of television from policy decisions to production techniques to audience practices Ultimately the book argues that through analyzing how television genre operates as a cultural practice we can better comprehend how television actively shapes our social world **Real To Reel** Jacob Palaparambil,2016-11-25 It is a known fact that in India more than one sixth of women are hooked onto Indian television serials Nowadays these so called serials are taking the place of Indian cinema These shows have attracted a huge number of audiences towards itself and are growing at an alarming rate The mega serials broadcasted all across India depict an ideal woman who has been exploited tortured and suffered for a long time and is shown as an epitome of self righteousness The present study was done with a view to ascertain the responses from men and women about Indian television mega serials and to study the impact of these serials on them Regarding the image and the portrayal of women shown in these serials it can be said that women are mostly projected as housewives or a glamorous figure each time any womans issue or a woman s story is presented two archetypes tend to emerge The stereotype is either that of a young professional beautiful super woman or of a relatively passive and traditional woman living mostly according to the rules set by her man Television and Postfeminist Housekeeping Elizabeth Nathanson,2013 In this book Nathanson examines how

contemporary American television and associated digital media depict women's everyday lives as homemakers, career women and mothers. Her focus on American popular culture from the 1990s through the present reveals two extremes: narratives about women who cannot keep house and narratives about women who only keep house. Nathanson looks specifically at the issue of time in this context and argues that the media constructs panics about domestic time scarcity while at the same time offering solutions for those very panics. Analyzing TV programs such as *How Clean is Your House*, *Up All Night* and *Supernanny*, she finds that media's portrayals of women's time is crucial to understanding definitions of femininity, women's labor and leisure in the postfeminist context.

Watching Sympathetic Perpetrators on Italian Television Dana Renga, 2019-02-11 This book offers the first comprehensive study of recent popular Italian television. Building on work in American television studies, audience and reception theory and masculinity studies, *Sympathetic Perpetrators* and their Audiences on Italian Television examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes. Italy's most popular exported series feature alluring and attractive criminal antiheroes who offer fictionalized accounts of historical events or figures and highlight the routine violence of daily life in the mafia, the police force and the political sphere. Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive. Taken as a whole, this book investigates what recent Italian perpetrator television can teach us about television audiences and our viewing habits and preferences.

Smith, 2007-12-12 *Cosmopolitan Culture and Consumerism in Chick Lit* examines the way in which the popular women's fiction genre of the late 1990s, known as chick lit, responds to women's advice manuals such as women's magazines, self-help books, romantic comedies and domestic advice manuals.

Gender and Sexual Dissidence on Catalan and Spanish Television Series Silvia Grassi, 2016-09-23 Taking as a starting point an interpretation of the television medium as an Ideological State Apparatus, this book examines how gender roles and non-heteronormative sexualities are constructed in Spanish and Catalan television series. In the first part, which focuses on the construction of gender roles in Catalan soap operas, it applies the analytical paradigms founded by Anglo-Saxon feminist scholars for the content of soap operas to a corpus of material which has rarely been analysed through this perspective. In the second part, which focuses on the construction of non-heteronormative sexualities in Spanish and Catalan television series, the book challenges the rhetoric of normalisation and the essentialist paradigms which have so far dominated the examination of the construction of sexuality in television series. As such, this book addresses the role performed by television in the construction of meanings which surround gender issues and non-heteronormative sexualities. This is a timely exercise.

because gender studies and studies of sexual dissidence are fairly recent fields in Spanish and Catalan academia and television has been largely disregarded especially as far as the analysis of characters and storylines is concerned As a result this book represents a major contribution to these fields in the Spanish and Catalan contexts Mediated Images of the South Alison Slade, Dedria Givens-Carroll, Amber J. Narro, 2012-03-01 Mediated Images of the South The Portrayal of Dixie in Popular Culture edited by Alison F Slade Dedria Givens Carroll and Amber J Narro is an anthology that explores the impact of the image of the Southerner within mass communication and popular culture The contributors offer a contemporary analysis of the Southerner in the media In most cases previous literature situates these media images in the past most notably through historic analyses of the Southerner during the Civil Rights movement Mediated Images of the South breaks out of the box of the 1960s and 1970s by including the most recent and contemporary cultural examples of the Southerner This book represents a long overdue analysis of those images from both the past and the present In addition the discussions are not limited to one genre of media but provide the reader with an opportunity to see how far reaching the myth of the Southerner and the Southern image is in American society While there is a long list of successful southern politicians historical figures businessmen and women actors and actresses sports figures and other national and world leaders Slade Givens Carroll and Narro find that there is still work to be done to present southerners as capable and educated

Surrogacy and the Reproduction of Normative Family on TV Lulu Le Vay, 2019-05-23 This book examines the proliferation of surrogacy storylines on TV exploring themes of infertility motherhood parenting and family It investigates how despite reproductive technologies ability to flex contours of family the shows narratives work to uphold the white heterosexual genetically reproduced family as the ideal In dialogue with responses from a range of female viewers both mothers and non mothers the book scrutinises the construction of family ideology on television with studies including Coronation Street 1960 present Giuliana is homosexuality only acceptable when it echoes heterosexual norms Are female characters only fulfilled when they are genetic mothers Does heterosexual romance override technology in the cure for infertility While the answers to these questions may suggest that television still conforms to heteronormative narratives this book importantly demonstrates that audiences desire alternative happy endings that show infertile female characters more positively and recognise alternative kinship formations as meaningful The Television Genre Book Glen Creeber, 2023-11-30 In this new edition of The Television Genre Book leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul's Drag
