Marital Therapy Gerald R. Weeks,2013-06-20 The field of sex therapy has experienced tremendous growth in the last 20 years The use of the term sex therapy for most clinicians brings several well known therapists to mind and is associated with the treatment of a fairly limited number of sexual problems The view of sex therapy as a profession has had both positive and negative consequences The editor s state that the purpose in writing and editing this book was to build on the work of individually oriented sex therapy by adding the systems perspective This book then represents an attempt at the integration of sex and marital or systems therapy The psychology of love Alice Iron,2023-06-06

The Psychology of Love How to Build Healthy and Fulfilling Relationships is a book that focuses on the importance of healthy and positive relationships in people s lives and the dynamics that govern them The author begins by analyzing different theories that have attempted to explain love from attachment theory to rational choice theory She explains how each theory has its own perspective and that there is no definitive explanation of love but rather different angles that can help understand it The book then focuses on building healthy and fulfilling relationships starting with the importance of communication and empathy The author explains how it is crucial to be able to listen to and understand others as well as express one s needs and desires clearly and non aggressively Another central theme of the book is conflict management The author provides tools and suggestions for constructively addressing differences and tensions avoiding destructive arguments She also explains how it is important to learn how to apologize and forgive in order to overcome difficulties and strengthen the relationship Furthermore the book addresses the topics of sexuality and passion explaining how it is essential to keep them alive and how challenges in this area can be overcome Finally the author devotes a chapter to the importance of having realistic expectations in a relationship and learning to manage disappointments She explains how it is possible to confront difficulties and sometimes it may be necessary to end a relationship that no longer works In summary The Psychology of Love is a book that provides tools and suggestions for building healthy fulfilling and lasting relationships It is an invitation to learn to understand and manage emotions communicate effectively and develop the capacity to forgive and be empathetic It is a book that helps understand love in all its facets and live happier and more satisfying relationships *The Psychology of Love and Hate in Intimate Relationships* Katherine Aumer,2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or

unconventional aspects The goal of this volume is to explore and illuminate some of these underrepresented aspects aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together The Psychology of Love and Hate in Intimate Relationships is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships

salience of the topic in the general public in the 1990s Contributors were chosen to represent some of the most interesting current work on different types of loss and adaptation in the whole of the social and behavioral sciences Contents cover such diverse subjects as loss in intimate relationships disability chronic illness genocide sports unemployment and homelessness The book concludes with a commentary section on loss theory and research

Handbook of the Sociology of Emotions

Jan Stets,Jonathan H. Turner,2007-02-25 For almost thirty years sociologists have increasingly theorized about and conducted research on human emotions Surprisingly it was not until the 1970s that the sociology of emotions emerged as a coherent field of inquiry What makes this late date surprising is that it is now obvious that human behavior interaction and organization are driven by emotions It was an immense oversight for emotions to be de emphasized in sociological theorizing and research for most of its 175 year history Since the 1970s however the study of emotions has accelerated and is now at the forefront of sociological analysis This book is designed to bring the reader up to date on the theory and research traditions that have proliferated in the analysis of human emotions Key figures who have carried the sociology of emotions to its current level of prominence review their own work and the work of others who have made contributions to a particular approach to the study of emotions The outcome is a comprehensive book that serves as a primer on the cutting edge of sociological work in what is obviously a key dynamic in human affairs The first section of the book addresses the range of emotions and how they can be classified the neurological underpinnings of emotions and the effect of gender on emotions The second section reviews the prominent sociological theories of emotions including theories emphasizing power and status rituals identity and self psychoanalytic dynamics exchange expectation states and evolution While there is little integration among these theories this state of affairs will not last forever The third section addresses theory and research on specific emotions such as love jealousy and envy empathy sympathy anger grief and the moral emotions While this list does not exhaust the range of human feeling they are central emotions that drive human behavior interaction and social organization The last section explores howthe study of emotions has added new insight into other subfields within sociology such as the study of the workplace health and social movements These chapters illustrate how the sociology of emotions can provide new research and theory for the large numbers of specialties within sociology Although no book can completely cover a field even a relatively new one like the sociology of emotions this Handbook of the Sociology of Emotions comes close to being comprehensive The reader will come away with a greater appreciation for how far the sociology of emotions has developed and prospered over the last thirty years

Love And Intimacy A Psychological Approach Introduction

In today's digital age, the availability of Love And Intimacy A Psychological Approach books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love And Intimacy A Psychological Approach books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love And Intimacy A Psychological Approach books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love And Intimacy A Psychological Approach versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Love And Intimacy A Psychological Approach books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love And Intimacy A Psychological Approach books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love And Intimacy A Psychological Approach books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Love And Intimacy A Psychological Approach books and manuals for download have transformed the way we access information.
