Prefontaine,2015-11-27 Interviewer Why do you love quotes Author Everybody loves quotes don t they Words are what we use to think and the best quotes are the most effective way to express those thoughts Interviewer Are these quotes any use Author They have lots of uses They can order our thoughts expressing an idea that we haven t managed to put into words before They can be used in conversation or communications to succinctly express what you are trying to say People often use them in speeches to provide amusement and to get across the point they are trying to make more effectively People also use quotes to provide inspiration or motivate them to do a task which they are finding difficult If you can capture why you are doing something in a single phrase then it can help you give purpose to what you are doing In addition there is the personal kudos of providing succinct wisdom if you can find the right time to use them People may not mistake you for Albert Einstein or Oscar Wilde but some of the magic dust will rub off Interviewer How do you pick quotes Author There are plenty to choose from People are saying things all the time some more memorably than others Often I see quote books that are little more than a collection of words When I am going through quotes I will often get one that zings and really resonates It could be funny it could be

inspirational it could be anything but what it has done is express something in a way that stops you and makes you think That is what I have tried to collect in The Big Book of Quotes I hope that some will resonate with the readers *I Love You*

Clark,2015-05-18 Looking for a great quote to use at a wedding ceremony to encourage a friend or for a love letter You ll find it in *The Great Big Love Quote Book* Check out some of the Great Quotes below Forgiveness does not mean condoning or agreeing with a horrendous act It is a decision to no longer attack one s self Forgiveness is quite simply the decision not to suffer To forgive is to make the decision to be happy to let go of judgments to stop hurting others and ourselves and to stop recycling anger and fear Gerald Jampolsky A healthy relationship is one in which each person is free to be honest with the other in loving ways In a healthy relationship each person s needs are respected Doreen Virtue Learn the art of patience Apply discipline to your thoughts when they become anxious over the outcome of a goal Impatience breeds anxiety fear discouragement and failure Patience creates confidence decisiveness and a rational outlook which eventually leads to success Brian Adams These are just some of the quotes you will discover in *The Great Big Quote Book Over 401 Inspirational Quotes on Happiness Forgiveness Relationships More* Cameron M Clark will be the first to tell you he is no master at Love but rather an ever learning student on the subject In fact he does mention this fact in the Preface to *The Great Big Love Quote Book* On the heels of publishing Book 1 of *The Great Big Quote Book* series Clark has drawn from his collection of thousands of inspirational quotes he s kept over the years and organized them into over 60 categories related to that mysterious thing called Love However as he will be first to tell you Clark thought a book of over 401 quotes on just the subject of Love might be too repetitive uninspired and a little boring That s why he broke up the text and organized it into different categories that he felt applied to the different areas of how Love is applied to strangers our family members and others with whom we associate on a daily basis His hope when starting the project was that the reader would feel as though they were reading a story about Love and all of her attributes rather than just a book with a bunch of quotes shoved together randomly In *The Great Big Love Quote Book* you ll find words of Wisdom related to Communication Compassion Forgiveness Honesty Loss Self Control Sincerity Trust and of course Love This makes the book an easily searchable tome for preparing for speeches talks wedding anniversary toasts or just inspiring a friend who is going through a difficult time In accordance to the quality standards set by Paul St George Press Clark was required to choose quotes of substance that actually instructed and or

inspired the reader This led to the deletion of many sources originally included in the text because the quotes didn't really offer much to the conversation about Love Along with that stringent requirement Clark was also required to research the credibility of his sources The last thing he or his publisher wanted to do was include quotations from men and women who either had vapid superficial advice or lived lives that seemed to contradict said advice While nobody is perfect most of the men and women quoted in the following volume lived lives of some accomplishment some virtue had something important to say or all of the above In a book of more than 401 quotes Clark was able to draw on the words of famous women and men as Mother Teresa Francis Bacon Maya Angelou Dr Martin Luther King Dr Phil McGraw Brian Tracy and Atul Gawande Lesser known but people with just as important things to say about the subject include Doreen Virtue M Scott Peck Gerald Jampolsky and George MacDonald Of course ancient philosophers and teachers such as Confucius the Buddha Cicero and others were not left out Enjoy
