Reichert, 2016-07-12 From the author of the clever creative and sweetly delicious *Kirkus Reviews* *The Coincidence of Coconut Cake* and *The Simplicity of Cider* comes a novel about an exasperated wife and mother who makes a play to reignite her marriage and risks everything in a gamble she hopes is a sure bet When Milwaukee area wife and mother MJ Boudreaux notices her husband Chris seems more interested in the casino than her she's more bothered that she isn't upset than by her husband's absence She picks up poker as a way for them to spend more time together and reignite their marital flame Although the game doesn't give her the quality time with Chris that she'd hoped MJ finds she has a knack for it Increasingly unhappy at home she turns to the felt top of the poker table for comfort Intoxicated with newfound freedom MJ begins spending more time at the gambling tables and less with her family finally carving out for herself a place outside her role of wife and mother After a string of great wins MJ finds herself in Vegas attracting the attention of a certain magnetic poker star But when she's forced to choose between her family and her new exciting lifestyle the stakes may be higher than she thought and MJ will have to play her hand carefully or risk losing it all **Love and Lemon Pie** Peggy S. Grose, 2002-10-01 **Love and Lemon Pie** Peggy S. Grose, 2003-01-01 Recipes for living and for cooking over 250 recipes and 250 suggestions for improved family values and communication An excellent book for parents teachers counsellors and anyone interested in caring for those around them both physically with great recipes and emotionally with excellent advice and improved communication skills Food Is Love Katherine J. Parkin, 2011-06-03 Modern advertising has changed dramatically since the early twentieth century but when it comes to food Katherine Parkin writes the message has remained consistent Advertisers have historically promoted food in distinctly gendered terms returning repeatedly to themes that associated shopping and cooking with women Foremost among them was that regardless of the actual work involved women should serve food to demonstrate love for their families In identifying shopping and cooking as an expression of love ads helped to both establish and reinforce the belief that kitchen work was women's work even as women's participation in the labor force dramatically increased Alternately flattering her skills as a homemaker and preying on her insecurities advertisers suggested that using their products would give a woman irresistible sexual allure a happy marriage and healthy children Ads also promised that by buying and making the right foods a woman could help her

family achieve social status maintain its racial or ethnic identity and assimilate into the American mainstream Advertisers clung tenaciously to this paradigm throughout great upheavals in the patterns of American work diet and gender roles To discover why Food Is Love draws on thousands of ads that appeared in the most popular magazines of the twentieth and early twenty first centuries including the Ladies Home Journal Good Housekeeping Ebony and the Saturday Evening Post The book also cites the records of one of the nation s preeminent advertising firms as well as the motivational research advertisers utilized to reach their customers *American Illustrated Magazine* ,1919 *The Saturday Evening Post* ,1925
