

Reason is powerless in the expression of Love. Love alone is capable of revealing the truth of Love and being a Lover. The way of our prophets is the way of Truth. If you want to live, die in Love; die in Love if you want to remain alive.

Love, Reason and Morality Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love's reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation

The Cambridge Introduction to Shakespeare's Poetry Michael Schoenfeldt,2010-10-07 Shakespeare s poems aside from the enduring appeal of the Sonnets are much less familiar today than his plays despite being enormously popular in his lifetime This Introduction celebrates the achievement of Shakespeare as a poet providing students with ways of understanding and enjoying his remarkable poems It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated outlining their exquisite pleasures and absorbing enigmas Schoenfeldt suggests that today s

readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal the articulation of a fervent same sex love for example or the incipient racism inherent in a hierarchy of light and dark By engaging closely with Shakespeare s major poems Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover s Complaint the Introduction demonstrates how much these extraordinary poems still have to say to us **The Open Court** Paul Carus,1898 Unsettling Jewish Knowledge Anne C.
