topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians.

**Love the Way You Spy** Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy. That's her sister's job. Tasha's support role is all about keeping them alive, playing referee when they fight amongst themselves and soothing the toughest boss in the world. Working for the CIA isn't as glamorous as she imagined, and she's more than a little lonely. So when she meets a charming man in a bar the night before they start their latest op, she decides to give in to temptation. The night was perfect until she discovers she's just slept with the target of their new investigation. Her sisters will never let her hear the end of this. Even worse, she has to explain the situation to her overprotective father, who also happens to be their boss. Dare Nash knew exactly how his week in Sydney was going to go: attending boring conferences to represent his family's business interests and eating hotel food alone. Until he falls under the spell of a stunning and mysterious American woman. Something in Tasha's eyes raises his body temperature every time she looks at him. She's captivating, and he's committed to spending every minute he can with her on this trip, even if her two friends seem awfully intense. He doesn't trust easily, but it's not long before he can imagine spending the rest of his life with her. When Dare discovers Tash isn't who she seems, the dream turns into a nightmare. She isn't the only one who deceived him, and now he's in the crosshairs of adversaries way out of his league. He can't trust her, but it might take Tasha and her family to save his life and uncover the truth.

*The End of Divine Truthiness: Love, Power, and God* Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness*, Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love. With urgent resolve, Greene answers Martin Luther King Jr.'s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power. Too many theologies cast God either as the tyrant whose

loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love Love Finds a Way , **With a Psalm in My Heart** Wiley W. McManus, Jr.,2006-04 This text gives heart warming insights into the Psalms with a blend of explanations stories experiences and counseling It provides a guide for 180 days of discovering the joy of a heart unlocked
