

Love and Honor and Pity and Pride and Compassion and Sacrifice

MY FATHER ARRIVED ON A RAINY MORNING. I was dreaming about a poem, the dull *tick tick* of a typewriter's keys punching out the letters. It was a good poem—perhaps the best I'd ever written. When I woke up, he was standing outside my bedroom door, smiling ambiguously. He wore black trousers and a wet, wrinkled parachute jacket that looked like it had just been pulled out of a washing machine. Framed by the bedroom doorway, he appeared even smaller, gaunter, than I remembered. Still groggy with dream, I lifted my face toward the alarm clock.

Love In Pity:

Love and Lust Theodor Reik,2002-01-01 The first part of the book is so far ahead of its time that it is still current It reveals Reik s departure from Freud s theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author s usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly M any of your impressions about us women are correct No man should read the book A few seconds later she said r rather every man should read the book **BOOK JACKET** *Love in Pity* Barbara Cartland,1976 **Love's Enlightenment**

Ryan Patrick Hanley,2017-03-30 A number of prominent moral philosophers and political theorists have recently called for a recovery of love But what do we mean when we speak of love today Love s Enlightenment examines four key conceptions of other directedness that transformed the meaning of love and helped to shape the way we understand love today Hume s theory of humanity Rousseau s theory of pity Smith s theory of sympathy and Kant s theory of love It argues that these four Enlightenment theories are united by a shared effort to develop a moral psychology that can provide both justificatory and motivational grounds for concern for others in the absence of recourse to theological or transcendental categories In this sense each theory represents an effort to redefine the love of others that used to be known as caritas or agape a redefinition that came with benefits and costs that have yet to be fully appreciated **Lilith - A Romance** George
