d set his heart on an unavailable woman purposely He s lived his life on the principle of Better to not love and lose what you never had to begin with and You can t be hurt by anything you haven t invested yourself in and he can t deny it s done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens But starting out life with a newborn and parents who refused to understand why she couldn t forgive her cheating husband even once she d taken the only job she d been able to get as a waitress and later a bartender at a rough biker joint in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn t a man alive worth any loyalty The dudes who come through the bar have no respect for let alone interest in anything that isn t transitory with the women around them William Decker is the one exception to the rule she s observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he ll break without regret by morning light
